

Uninterruptible Power Supply (UPS) System Service Report

A. General Information

Service Date:		Service Technician:	
Building & Room:		System Mfg/Model:	
Arrival Time:		System Serial #:	
Departure Time:		System kVA/kW:	
Work Order #:		Asset ID:	

B. As-Found / As-Left Status

Status	As-Found (Check one)	As-Left (Check one)
Online / Protected		
On Bypass		
Offline / Faulted		
On Battery		

Notes / Active Alarms on Arrival: *(Describe all notes and active alarms found on arrival)*

--

C. Service Type & Summary of Work

Service Type: ☐ Semi-Annual Visit ☐ Annual Visit

Summary of Work Performed: *(Describe all maintenance actions, tests, and repairs performed)*

--

D. Maintenance Checklist

Semi-Annual Tasks

Task	Status (OK / FAIL / N/A)	Notes
1. Perform thorough visual inspection		
2. Replace/clean all air filters		
3. Analyze system event log for trends		
4. Perform firmware "health checks"		

Annual Tasks *(In addition to above)*

Task	Status (OK / FAIL / N/A)	Notes / Readings
5. Perform thermal imaging of connections		Notes / Readings: [Attach thermal images]
6. Verify torque of all electrical connections		Notes / Readings:
7. Perform Battery Discharge/Runtime Test		Notes / Readings: Actual Runtime: [] min vs Rated: [] min
8. Perform full system calibration		Notes / Readings: []

E. Battery System Analysis

Battery String ID: [e.g., String 1 of 2]

Battery Mfg/Model:

F. Fault Mitigation & Required Components

Active Faults Cleared This Visit: *[List all alarms/faults found and describe resolution actions taken.]*

Prioritized List of Required Components: *(List parts needed for remaining faults or upcoming EOL)*

Priority	Part Description	OEM Part Number	Reason for Replacement (Fault / EOL)
1 (High)			
2 (Med)			
3 (Low)			

G. Documentation & Certification

Equipment Logbook Updated: ☐ Yes ☐ No, Notes:

Disposal Certification Provided? (If batteries replaced): ☐ Yes ☐ No ☐ N/A,

[Certificate # or attach copy]

Notes:

H. Customer Acknowledgment

I certify that the service was performed as described above and that the "As-Left" status is accurate.
