NOTES TO THE OFFEROR

1. The quantities in Table #1 are estimates and may not reflect the exact quantities ordered against the IDIQ contract. These quantities will likely change throughout the life of the IDIQ 5-year ordering period. The government is only required to meet the guaranteed minimum established under this IDIQ contract.
2. Estimated IDIQ Contract Value: The overall estimated values of CLIN 0001 and 0002 will be added together to determine the overall estimated IDIQ contract value.
3. Delivery Order Pricing: The government intends to issue firm-fixed price delivery orders throughout the 5-year ordering period of this IDIQ contract using the proposed unit prices in Table #2 and Table #3 of this section.
