Statement of Work
For
60 OSS/MPC Faraday Tents

01 May 2026

60 OSS/MPC Travis AFB, CA has a need for two (2) Faraday tents to support classified equipment (SIPR, JWICS, etc.), ensuring no unwanted emissions get in or out of the tent. These Faraday tents are already being used in the ACC and AMC communities. Travis AFB needs to have the same capabilities to be able to play our crucial role in the next conflict.
