Contractor Access to Air Force Installations.

All Contractor employees will be subject to a criminal history background check IAW Air Force Manual (AFMAN) 31-113, Installation Perimeter Access Control, as stipulated in the Installation Commander's memorandum to the 325th Security Forces Office dated 23 Apr 2015 (the AFMAN and memorandum are both limited access documents but more details on the requirements/process in terms of background checks can be provided by the Unit Security Manager). Vehicle registration, proof of insurance, and a valid driver's license must be presented for vehicles. Installation Commanders may deny access and credentials based on information obtained during identity vetting that indicates the individual may present a threat to the good order, discipline, and morale of the installation.

Base Access: The Contractor shall ensure the following pass and identification items required for contract performance are obtained for employees and non-Government owned vehicles:

- a.** DBIDS pass. Obtained through submitting personal identifiable information to Security Forces for criminal background check.
- b.** DoD Common Access Card (CAC), AFI 36-3026(I). Process through USM, Trusted Agent Sponsorship System (TASS) point of contact for a CAC card.
- c.** AF Form 75, Visitor/Vehicle Pass (AFI 31-204): The Contractor shall adhere to local security policy when applying for short/long term visitors' passes. Any

Contractor requesting a pass for more than 3 days will complete a Local Files Check with 325 SFS/Pass & ID. Vehicle passes (personal vehicles) are no longer required. Visitors/Contractors with driver's licenses from ME, MN, MO, MT, and WA (exceptions are EDL-Enhanced driver's licenses from MN & WA) will not be able to obtain base access without another form of identification as an identity proofing document. The list of authorized IDs can be found in the REAL ID Act of 2005. Please visit the Department of Homeland Security's (DHS) website to get the latest information, <https://www.dhs.gov/current-status-states-territories>. During performance of the contract, the Contractor shall be responsible for obtaining required identification for newly assigned personnel.

The Contractor shall be responsible for prompt return of credentials and vehicle passes for:

1. Any employee who no longer requires access to the work site;
2. Upon request by a CO; and
3. Upon completion or termination of the contract. The prime Contractor shall ensure that all base identification passes issued to employees and subcontractor employees are returned to the issuing office. Failure to comply with these requirements may result in withholding of payment.
