

PERFORMANCE WORK STATEMENT (PWS)
Phoenix Union High School (PXU)
Junior Cadet Leadership Challenge
5th Brigade, JROTC, Phoenix Union High School 24-28 May 2026

Part 1
General Information

1. General: This is a non-personal service(s) contract to provide services to support the Phoenix Union HS District (PXU) JROTC Cadet Leadership Challenge (JCLC) during the period of performance 24-28 May 2026. The government will not exercise any supervision or control over the contract service providers performing the services. Such contract service providers shall be accountable solely to the contractor who, in turn, is responsible to the government.

1.1 Description of Services/Introduction: This is a non-personal service(s) contract to provide facilities, lodging, logistical support, meals, training areas, and training activities for the attendees of the 5th Brigade, United States Army Cadet Command (USACC), PXU JROTC JCLC from 24-28 May 2026. The proposed vendor shall provide support to the JROTC Instructors and Chaperones who will be the only ones interacting directly with the Cadets.

1.2 The Leadership Challenge is an annual requirement for all JROTC units. The camp must have the capability to provide billeting, food services and specialized facilities and activities areas required to support the Phoenix Union High School District JROTC Programs. PXU consists of 10 High Schools:

Alhambra High School
Trevor G. Browne High School
Camelback High School
Carl Hayden High School
Central High School
Maryvale High School
North High School
Academies of South Mountain High School
Cesar Chavez High School
Betty Fairfax High School

1.3 Scope: The contractor shall provide non-personal service(s). The contractor shall provide all personnel, tables, chairs equipment, furniture, supplies, facilities and cabins, bath houses, tools, materials, supervision, and other items and non-personal services necessary to provide food service support, lodging and training as defined in this Performance Work Statement, except for those items specified as government furnished property and services. The contractor shall perform to the standards in this contract.

1.4 Objectives: The Contractor shall provide the following services:

- Allow Cadets a chance to participate in citizenship building exercises.

- Give Cadets the opportunity to experience living and interacting with their peers from other units/schools.
- Instruct leadership-type skills to Cadets in a "hands on" military type environment.
- Provide an opportunity to participate in adventure training not available to Cadets.
- Provide meals, lodging and training facilities as specified in this PWS to ensure the event is successful for cadets and cadre.

1.5 General Information:

1.5.1 Quality Control Plan (QCP): The contractor's existing quality assurance system shall be utilized in accordance with FAR 12.105.

1.5.2 The Contractor shall inform the COR of issues or potential issues that might affect the performance within seven (7) days of the event start date. The contractor shall be reachable between 0600 to 1800 Monday through Friday. Verbal reports shall be followed up by written reports within five (5) days.

1.5.3 Quality Assurance: The Government will evaluate the Contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan (QASP). This plan is primarily focused on what the Government must do to ensure that the Contractor has performed in accordance with the performance standards. It defines how the performance standards will be applied, the frequency of surveillance, and the acceptable quality levels (performance thresholds).

1.5.4 Recognized Holidays: The following provides information on recognized holidays for the purpose of the PWS. If submittal of any documentation (e.g. deliverables, submittals, etc.) deadlines fall on a holiday, the closest workday prior to the holiday will apply as the deadline for submittal.

1.5.5 U.S. Holidays: Work shall not be performed on U.S. federally recognized holidays occurring during the normal workweek unless otherwise directed by the Contracting Officer. When a U.S. holiday occurs on a Saturday or a Sunday, the holiday is observed on the preceding Friday or following Monday, respectively. The contractor understands and agrees that services will be rendered on the 25th of May 2026, which is recognized as Memorial Day.

1.5.6 Operating Hours: The government facility office hours, facility operating hours and the contractors' support hour requirements often coincide, however, they may differ.

1.5.7 Contractor Support Hours: The contractor shall provide support between the hours of 0600-0800 for breakfast, 1200-1300 for lunch, and 1700-1800 for dinner from

24-28 May 2026. All Training and Other Tasks shall be uninterrupted, at the contractor's encampment. The Contractor shall maintain an adequate workforce at all times, for the uninterrupted performance of all tasks defined within this PWS when the facility is not closed for the above reasons. When hiring personnel, the Contractor shall keep in mind that the stability and continuity of the workforce is essential.

1.5.8 Place of Performance: The work to be performed under this contract shall be performed at contractor facility where training will be conducted. Place of performance will be within a 100-mile radius of Phoenix, AZ.

1.5.9 Security Requirements: Reserved

1.5.10 Post Award Conference/Periodic Progress Meetings: The Contractor shall maintain an adequate workforce at all times, for the uninterrupted performance of all tasks defined within this PWS when the facility is not closed for the above reasons. When hiring personnel, the Contractor shall keep in mind that the stability and continuity of the workforce is essential.

1.5.11 The Contractor shall attend, participate in, and furnish input to scheduled and unscheduled meetings, conferences, and briefings that relate to the functions and services herein as required by the Government to provide effective communication and impart necessary information. The Contract Manager or designated representative shall attend meetings as requested by the Government. Meeting attendees shall at times include Contractor managerial, supervisory, and other personnel knowledgeable of the subject matter. Meetings may start or end outside of regular duty hours.

1.5.12 Contracting Officer's Representative (COR): As determined by the Contracting Officer, a COR will be appointed and identified by letter of designation, a copy of which will be provided to the Contractor by the Contracting Officer. The designation letter states the responsibilities and limitations of the COR, especially with regard to changes in cost or price, estimates, or changes in delivery dates. The COR is not authorized to change any of the terms and conditions of the resulting order. The COR monitors all technical aspects of the contract and assists in contract administration. The COR is not authorized to obligate the Government. If the work is not written in the contract, the COR is not authorized to request new work. The COR is authorized to perform the following functions: assure that the Contractor performs the technical requirements of the contract, perform inspections necessary in connection with contract performance, maintain written and oral communications with the Contractor concerning technical aspects of the contract, issue written interpretations of technical requirements, including Government drawings, designs, specifications, monitor Contractor's performance and notifies both the Contracting Officer and Contractor of any deficiencies, coordinate availability of Government property, and coordinate site entry of Contractor personnel.

1.5.13 Key Personnel: Reserved

1.5.14 Special Qualifications: Reserved

1.5.15 Identification of Contractor Employees: All Contractor personnel attending meetings and working in other situations where their Contractor status is not obvious to third parties must identify themselves, to include proper marking of signature blocks in correspondence, to avoid creating an impression in the minds of members of the public that they are Government officials. The Contractor shall ensure that all documents or reports, produced by Contractors are suitably marked as Contractor products or that Contractor participation is appropriately disclosed.

1.5.16 Protection of Government and Contract Information: Per Public Use Notice of Limitations stated by Defense imagery Management operations Center and contained at www.dimoc.mil/resources/limitation the Contractor shall not cite any information (e.g., contract information, pictures, locations, etc.) obtained through this contract on any hard copy or digital marketing tools to include its company website.

1.5.17 Organizational Conflict of Interest (OCI): Contractor and subcontractor personnel performing work under this contract may receive, have access to or participate in the development of proprietary or source selection information (e.g., cost or pricing information, budget information or analyses, specifications or work statements, etc.) or perform evaluation services which may create a current or subsequent OCI as defined in FAR Subpart 9.5. The Contractor shall notify the Contracting Officer immediately whenever it becomes aware that such access or participation may result in any actual or potential OCI and shall promptly submit a plan to the Contracting Officer to avoid or mitigate any such OCI. The Contractor's OCI Mitigation Plan will be determined to be acceptable solely at the discretion of the Contracting Officer. In the event the Contracting Officer unilaterally determines that any such OCI cannot be satisfactorily avoided or mitigated, the Contracting Officer may affect other remedies as he or she deems necessary, including prohibiting the Contractor from participation in subsequent contracted requirements which may be affected by the OCI.

PART 2 DEFINITIONS & ACRONYMS

2. Definitions and Acronyms

2.1 Definitions: Although not inclusive of every term used within this PWS, the following provides a list of definitions used throughout this PWS and commonly used in the acquisition field.

2.2 Contracting Officer - means a person with the authority to enter into, administer, and/or terminate contracts and make related determinations and findings on behalf of the Government. Note: The only individual who can legally bind the Government.

2.3 Contracting Officer's Representative (COR) - As defined in DFARS 202.101, means an individual designated and authorized in writing by the Contracting Officer to perform specific technical or administrative functions. DoD Instruction (DoDI) 5000.72, Part II Definitions states the following when defining a COR: "Defined in subpart 202.101 of Reference (f). Any individual delegated responsibilities pursuant to subpart 1.602-2 of Reference (e), regardless of local terminology, must be certified in accordance with this instruction. For example, local terminology can be COR, Contracting Officer's technical representative, technical point of contact, technical representative, alternate COR, administrative COR, assistant COR, line-item manager, task order manager, quality assurance personnel, quality assurance evaluator, or COR management." In addition, Army Regulation 70-13, Chapter 2, paragraph 2-2g, states, in part, the following when providing other surveillance support personnel to assist the COR when needed, "... These other surveillance support personnel may serve as on-site representatives of the COR in performance of actual contract surveillance if they meet all COR requirements and have been appointed by the Contracting Officer as alternate CORs."

2.4 Contractor - means a supplier or vendor awarded a contract to provide specific supplies or service to the Government. The term used in this contract refers to the prime.

2.5 Day- means, unless otherwise specified, a calendar day.

2.6 Defective Service - means a service output that does not meet the standard of performance associated with the Performance Work Statement.

2.7 Deliverable - means anything that can be physically delivered but may include non-manufactured things such as meeting minutes or reports.

2.8 Physical Security - means that part of security concerned with physical measures designed to safeguard personnel; to prevent unauthorized access to equipment, installations, material, and documents; and to safeguard against espionage, sabotage, damage, and theft.

2.9 Quality Assurance - (or Government contract quality assurance) means the various functions, including, inspection, performed by the Government to determine whether a Contractor has fulfilled the contract obligations pertaining to quality and quantity.

2.10 Quality Assurance Surveillance Plan (QASP) - means the key Government-developed surveillance process document and is applied to Performance-Based Service Contracting (PBSC). The QASP is used for managing Contractor performance assessment by ensuring that systematic quality assurance methods validate that Contractor quality control efforts are timely, effective, and are delivering the results specified in the contract or task order. The QASP directly corresponds to the performance objectives and standards (i.e., quality, quantity, timeliness) specified in the Performance Work Statement (PWS). It provides specific details on how the Government will survey, observe, test, sample, evaluate, and document Contractor performance results to determine if the Contractor has met the required standards for each objective in the PWS. The QASP, with very few if any exceptions, is an internal to Government document.

2.11 Quality Control - means all necessary measures taken by the Contractor to assure that the quality of an end product or service shall meet contract requirements.

2.12 Subcontractor - means one that enters into a contract with a prime Contractor. The Government does not have privity of contract with the subcontractor.

2.13 Workday - The number of hours per day the Contractor provides services in accordance with the contract.

2.14 Work Week - Monday through Friday, unless otherwise specified.
