1	CORHQ-26-Q-0128.pdf	58	Section L, Clause 7.3.1-16 limits eligibility to DigiCert Authorized Resellers or the OEM. Given that the requirement is for certificate lifecycle management and PKI subscription services — functions that are available from multiple commercially available platforms — we request that the FDIC consider amending the solicitation to include technically equivalent alternatives, or clarify whether an 'or equal' standard applies. eMudhra's CERTInext CLM platform offers equivalent functionality across all line items in the price schedule. Would the FDIC consider accepting proposals based on functional equivalence rather than brand-name restriction?	The FDIC will not consider equivalent solutions at this time.
