Pre-proposal Conference Question & Answers – Q&As March 27,2026

The U.S. Embassy Buenos Aires conducted a site visit and pre-proposal conference on March 27, 2026, at 9:00 hours for the above referenced solicitation for the US Embassy Buenos Aires.

Three firms participated in this pre-proposal conference.

The questions and answers below are responsive to the inquiries received by email regarding this solicitation.

Question #1: Given that prices will be in Argentine Pesos and cannot be updated by inflation, could the contract term be reduced to two years total?

Answer #1: Yes. See Amendment 0001 for the updated period of performance and pricing charts.

Question #2: Are all new cellphone lines or do you have existing lines that need to be migrated if a new company receives the contract?

If lines need to be migrated, the time to complete the migration needs to be more extensive than the 24 hours specified in paragraph 6. Addition of New Lines.

Answer #2: Yes, for migrated lines the term specified in paragraph 6 of the solicitation is not applicable. Please, specify in your offer what is the standard lead time in the industry.

Question #3: Can the offer be submitted via OpenSpam (TM)?

Answer #3: No. Offers need to be submitted as outlined in the solicitation (particularly in the letter that precedes the solicitation document).

Question #4: The “Additional Taxes” line in the pricing charts is no longer applicable as those taxes have been eliminated.

Answer #4: Thank you for the information. See Amendment 0001 with pricing charts updated accordingly.

Question #5: Could the contract term be reduced to two years?

Answer #5: See Answer #1 above.
