

Notice of Intent to Award Sole Source

This is a **COMBINED SYNOPSIS/SOLICITATION** for commercial services prepared in accordance with the guidelines established in the Federal Acquisition Regulation (FAR) Part 13, utilizing Simplified Acquisition Procedures. This announcement serves as the sole solicitation; no written solicitation will be issued.

The Air Force intends to award a non-competitive contract to Science Applications International Corporation (SAIC) in accordance with FAR 13.106-1(b)(1), which permits procurement from a single responsible source when no other supplies or services can fulfill agency requirements. The requirement is for Joint Range Extension (JRE). The contractor shall deliver help desk support and sustainment services for the following JRE systems: JRE-3081, JRE-3171, JRE-3172, and JRE-13240.

The applicable North American Industry Classification System Code for this requirement is 541512. This synopsis is issued in compliance with FAR Part 5.203. The 633rd Contracting Squadron, located at 14 Burrell St, building 67, Langley AFB, VA 23665, intends to award a sole source contract to acquire services in support of the Air Combat Command CSS/SCPI .

This notice of intent does not constitute a request for competitive quotes; however, interested parties who believe they possess the capability to fulfill this requirement are invited to submit a capability statement to SSgt Tierra Brown at tierra.brown.1@us.af.mil for review no later than 4:00 PM Eastern Time on September 9, 2025. Late submissions will not be considered. Please ensure that your response includes clear and persuasive evidence that competitive procurement would be beneficial to the Air Force. The decision by the Government not to pursue competitive contracting based on responses to this notice rests solely with the Government. Information received will generally be evaluated solely for the purpose of determining whether to proceed with a competitive procurement. For any inquiries regarding this notice, please contact **SSgt Tierra Brown at tierra.brown.1@us.af.mil** **Note: Late responses will not be considered.**
