Rent 60 parking spaces for 14 WS employees				FFP	0001	0000	0000	0000	0000	

1. SCOPE

The primary purpose of this Performance Work Statement (PWS) is to purchase 60 parking passes for one parking area or garage to be used by Squadron members (USAF active-duty military and USAF civil servants). The location should be within 1/8-mile line of sight/walking distance to the Squadron's duty location: the Veach-Baley Federal Complex located in downtown Asheville, NC.

The 14th Weather Squadron Commander identified a significant concern for the safety of unit members and their ability to focus on the mission due to unsafe parking locations in and around the duty location. Securing parking passes for a parking area or garage near Federal Complex is an essential mitigating personnel risk.

1.1.1 PERIOD OF PERFORMANCE

The period of performance (PoP) for this task order can be up to 12 months, consisting of one base period of 12 months.

1.1.2 PLACE OF PERFORMANCE

The contractor shall perform services at Asheville, North Carolina.

1.1.3 SERVICES BEING ACQUIRED

Purchase 60 parking passes for use by Squadron members.

Parking location shall be within 1/8-mile line of sight/walking distance from the Veach-Baley Federal Complex, Asheville NC.

Parking passes shall be usable from 7am to 7 pm / 7 days a week / 365 days.

Parking space size should fit a medium sized vehicle.

Parking location can be covered or uncovered.

The contractor shall notify in writing, for COR/PMO approval, when one to all 60 parking passes will not be available for use

- due to foreseen events (construction and repair in/on garage).
Requests shall be submitted no less than five workdays prior to the nonavailability.
The contractor shall notify COR/PMO when the spaces are available to use again.
- due to unforeseen events (damage due to accidents, damage caused by unexpected weather events).
Notification shall be submitted for no less than one workday following the nonavailability.
The contractor shall notify COR/PMO when the spaces are available to use again.
