

- Instructions to obtain visitor's pass at Fort Drum.
 - Anyone requesting access to Fort Drum (who does not already possess a CAC Card) must fill out the IMDR-ES_Form_2_APPLICATION_FOR_SPONSORSHIPv7 form.
 - Fill in everything above the Sponsor's Information and leave the sponsorship information blank.
 - Send completed applications to Kaitlyn Hughes (Kaitlin.T.Hughes@usace.army.mil) and Andrew Mitchell (Andrew.J.Mitchell@usace.army.mil) **by 01 October 2025. DO NOT SEND FORMS TO THE EMAIL ADDRESS LISTED ON THE FROM.**
 - You will only be contacted about the status of your application or pass if there is a problem. Otherwise, your pass will be waiting for you at the Visitor's Center.
 - You must stop at the Visitor Center to obtain your pass before entering the gate. The location is marked on the map. It is the building just outside the main gate (North Gate/ Lt. Gen. Paul Cerjan Gate) on the righthand side of the road.
 - You can pick up your pass the day before and is advised. If the Visitor Center is busy, you may have to wait in line.
 - If you have any problems call Andrew Mitchell at 315-350-1989.
 - Once you have your pass, you must drive through Fort Drum to access the WSAAF Airfield. The access gate on route 26 is currently closed. The suggest route is marked on the map.

- Key notes on the application:
 - The application is set up so that 5 different people can be put onto one sheet. You should list as many people as you can like on one application.
 - Pay special attention to the acceptable ID Types. IDs must be real ID compliant. If someone intends to use a passport, write "US Passport" in the "ID Type" field. If someone does not have a Real ID Compliant identification, contact Andrew Mitchell to discuss.
 - If you have a Foreign National, contact Andrew Mitchell as special accommodations will need to be made.
 - If you will have a rental car and do not know the vehicle information, simply write "Rental" on the application. You can give that information to security when you pick up your pass.

- Meeting location and time
 - The meeting point will be the WSAAF Operations Build and Fire Station (Building 2065).
 - The Bidder Walkthrough will begin promptly at 0800 on Monday 6 Oct 2025.
 - Call Andrew Mitchell at 315-350-1989 with any questions/issues.
 - Only one person per contractor/business will be allowed in the air traffic control tower during the walkthrough.
