After review of the responses to this sources-sought, a solicitation announcement may be published. Responses to this sources-sought synopsis are not considered adequate responses for a solicitation announcement.

The Department of Veterans Affairs (VA), VISN 22 Network Contracting Office, is seeking sources that can provide the below requested items for Smartsheet Gov License.

The purpose of this project is to design and implement a centralized, scalable Smartsheet solution that gives VA Long Beach leadership real-time visibility into all strategic initiatives and projects, aligns work to strategic priorities, standardizes project structures, and reduces manual reporting effort through automation. The reason for this procurement is to increase visibility, transparency, accountability, and alignment of projects within the facility and to ensure clear alignment to executive leaders and strategic initiatives.

Scope of Work

The contractor will implement a Smartsheet GOV environment configured for portfolio and project management across VA Long Beach strategic initiatives, including:

- Establishing a single, portfolio-level view of all initiatives, projects, and key performance indicators (KPIs) using Smartsheet dashboards, reports, and sheets.
- Designing and configuring standardized project templates (e.g., A3s, KPI tracking, status reporting) and associated workflows to drive consistent execution and reporting.

- Implementing Control Center for automated project creation, change management, resource planning, and project archiving at scale (up to 5,000 active projects per blueprint).
- Implementing Data Shuttle to automate data movement and syncing between Smartsheet assets and source/target systems, reducing manual data entry and enabling aligned metrics.
- Configuring real-time dashboards that provide executive and operational visibility into portfolio health, status, risk, and progress against strategic priorities (e.g., safety, quality).
- Enabling cross-team visibility so stakeholders can see related work, reduce duplication, and improve collaboration across service lines and departments.

The contractor shall provide and be responsible for the shipment and delivery to VA Long Beach Healthcare System at 5901 E 7th Street, Long Beach, CA 90822
