IRS - Learning & Professional Education Program Subscription

Description of Contemplated Services

At a summary level, the Government has interest in and is seeking information regarding the capability of firms who can provide services pertaining to training. LB&I requires unlimited access to a training subscription with a centralized digital library of accredited continuing education programs, course materials, and technical publications designed to support a minimum of 3,500 compliance employees.

This includes access to a broad catalog of continuously updated content covering multiple practice areas, enabling employees to maintain professional competencies, satisfy continuing education requirements (e.g., National Association of State Boards of Accountancy (NASBA) and other Continuing Professional Education and Continuing Legal Education (CPE/CLE) equivalents where applicable), and remains current with evolving tax laws, regulatory developments, and emerging issues.

Anticipated PSC or FSC Code: U006 – Education/Training (Vocational/Technical)

Anticipated NAICS Code: 611430 – Professional and Management Development Training

Acquisition Strategy

The Government has not finalized its acquisition strategy. This SSN will be posted on SAM.gov and General Services Administration (GSA). When possible, the Government will use existing Government-wide acquisition vehicles. The Government will not respond to individual inquiries. We will post answers and updates to this SSN.

Terms and Conditions for this Notice

This Notice does not obligate the Government to award a contract or otherwise pay for the information provided in response. All costs associated with responding to this Notice are solely at the responding party's expense.

The Government may use the information provided for any lawful purpose and may contact you for more information about your response. Responses must be complete and detailed enough for the Government to evaluate qualifications. The Government may not confirm receipt or provide feedback for the response provided.

After reviewing responses, the Government may publish a pre-solicitation notice or solicitation on SAM.gov or another site (for example, GSA eBuy). Your response to this Notice will not count as a response to any future solicitation.

Responses to this Notice are not offers and cannot form a contract. The Government is not required to pursue any specific acquisition approach based on this Notice. The Government will not return responses. If you do not respond, you may still participate in any future solicitation.

Do not include proprietary, classified, confidential, or sensitive information in your response unless you clearly mark it. The Government reserves the right to use any non-proprietary technical information you provide in future solicitations.

Do not submit proposals or offers in response to this Notice.

Thank you for your interest in this SSN.
