

Sources Sought Response Form

MCAS Miramar Fuels Lab

Sources Sought Notice # W9128F26SS003

PURPOSE: By way of this Sources Sought Notice, the USACE-Omaha District intends to determine the extent of capable small business or other than small business firms that are engaged in providing the requirement described hereunder. The responses to this notice will be used for planning purposes for upcoming procurements. Therefore, this notice does not constitute a Request for Proposal (RFP), Quotation or Bid; it does not guarantee the future issue of an RFQ/RFP/IFB; nor does it commit the government to contract for any supply, service, or construction. There is no solicitation currently available.

Further, this Agency **will not accept unsolicited proposals**. Respondents are advised that this Agency will not pay for any information or administrative costs incurred in response to this Notice. All costs associated with responding to this Notice will be solely at the responding party's expense. At this time, proprietary information is not being requested, and respondents shall refrain from providing proprietary information in response to this Sources Sought Notice.

PROJECT DESCRIPTION: *MCAS Miramar Fuels Lab Construct*
