Project Title

TREAS – IRS Taxpayer Assistance Center (TAC) Modernization (Mod)

Description of Contemplated Services

The purpose of this RFI is to seek contractors to support IRS in assessing and implementation of a roadmap to modernize the over 350 nationwide TAC offices that provide assistance to taxpayers who require in-person help with tax law inquiries, account resolution, identity verification and other taxpayer needs. As part of this implementation, we will need support to 1) Document current state, 2) Develop a roadmap for future state and 3) help implementation of approved roadmap. This would be a comprehensive modernization effort including people, technology and reporting.

RFI Instructions

For your review, a draft Performance Work Statement (PWS) with appendices are attached. Additionally, please submit your responses into the Vendor Response Template attachment 4. Also, please attach your company's **capabilities statement** (1 page limit, minimum 11-point font size). RFI responses must be submitted via email to the primary point of contract and secondary point of contact listed on SAM.gov by the response date. The email has a maximum file size capacity of 10 Megabytes (MB).
