

COMBINED SYNOPSIS/SOLICITATION
W9127N26QA077

Cottage Grove (CTG) Sewage Plant - Sewer Pump and Controller
Lane County, OR.
U.S. ARMY CORPS OF ENGINEERS, PORTLAND DISTRICT
8 May 2026

This solicitation is for commercial supplies prepared in accordance with the format in the Revolutionary RFO 12.201-1 - Simplified Acquisition Procedures, and additional information is included in this notice. This announcement constitutes the only solicitation; quotes are being requested.

Solicitation W9127N26QA077 is for the replacement of two Vertical Turbine sewer effluent pumps and a duplex pump controller for the Cottage Grove Sewage Plant to ensure efficient and reliable operation of the facility.

Please see the attached Purchase Description for additional information.

The following solicitation document, incorporated provisions, and clauses are in effect through Federal Acquisition Circular 2026-01, effective 13 MAR 2026.

This solicitation is advertised as a 100% small business set aside, under NAICS Code: 333914 – Measuring, Dispensing, and Other Pumping Equipment Manufacturing, with a size standard of 750 employees. All prospective offerors **must** be registered in the System for Award Management (SAM) at www.sam.gov to be eligible for award. Lack of SAM registration will make an offeror ineligible for award.

Quotes are to be submitted to john.r.scukanec@usace.army.mil, NLT 2:00 PM PST on 22 MAY 2026. Please submit any questions to John Scukanec through email. All questions related to this solicitation must be submitted in writing to John Scukanec, questions will not be responded to by phone.

The government requests quotes for the following items (Refer to page 2):
