QUALITY CONTROL:

The Government reserves the right to perform a validation/incoming performance & safety inspection.

Contractor is responsible to provide warranty records, if requested, by the Government for the specific grinder pumps provided to the Cheyenne River Health Center (CRHC).

BASIS OF PAYMENT:

Invoices submitted under any award will be required to utilize the Invoice Processing Platform (IPP) in accordance with HHSAR 352.232-71, Electronic Submission and Processing of Payment Requests”.

Payment will be made upon receipt of a complete and accurate invoice, and successful completion of an acceptance inspection in accordance with the Prompt Payment Act. Invoices shall be submitted with all information and supporting documentation. A complete and accurate invoice is substantially correct in that all aspects of the required information are clearly evident on the invoice. If items such as invoice number, date, dates of service, contract/purchase order number, etc., are not on the invoice, it will be returned to the Contractor for resubmission. The Prompt Payment Act Clause will be provided by the Contracting Officer at the time of award and will further clarify the requirements. Finance charges for late payment of charges due to problems not of the Contractor’s making shall be paid according to the regulations and amount determined by the Great Plains Area Indian Health Service Financial Management Branch. If the Government fails to pay an amount when properly due, the Contractor has the option of suspending all services provided by this contract after providing a detailed explanation to the Contracting Officer. The Contracting Officer is responsible for assuring that direct patient care is not compromised by frivolous or unlawful suspension of services. Disputes will be handled according to the Disputes Clause and shall not violate any rule or regulation or law.

LIABILITY:

In no event shall the Government release the Contractor from the liability arising from acts of omission, improper repair, negligence, or deliberate or non-deliberate acts that jeopardize the health and safety of patients and/or Government employees.

CONTRACTOR’S TERMS & CONDITIONS:

The contractor’s terms and conditions shall be incorporated into the contract by reference. Where conflicts arise the Federal Acquisition Regulations, and other Federal Regulations, Laws and Rules shall take precedence.

1. Authority

- 1.1. No person other than the Contracting Officer has authority to bind the Government with respect to this contract.
