

SALIENT CHARACTERISTICS

6104-BK03 Eaton Crouse-Hinds series Cam-Lok J Series E1017-350 k plug
Camlock double set screw male black: product length/depth 7", Product height 2.69",
product width 2.69", weight 4.16 lbs, NEMA rating 3R, cable size 350-500 KCMIL, amp
rating up to 545amps continuous, voltage rating 600 vac/dc, material rubber,
connection type double set screw, male, plug, color black, material brass.

6104-BK04 Eaton Crouse-Hinds series Cam-Lok J Series E1017-352k plug
Camlock double set screw male red: product length/depth 7", Product height 2.69",
product width 2.69", weight 4.16 lbs, NEMA rating 3R, cable size 350-500 KCMIL, amp
rating up to 545amps continuous, voltage rating 600 vac/dc, material rubber,
connection type double set screw, male, plug, color red, material brass.

6104-BK05 Eaton Crouse-Hinds series Cam-Lok J Series E1017-355k plug
Camlock double set screw male white: product length/depth 7", Product height 2.69",
product width 2.69", weight 4.16 lbs, NEMA rating 3R, cable size 350-500 KCMIL, amp
rating up to 545amps continuous, voltage rating 600 vac/dc, material rubber,
connection type double set screw, male, plug, color white, material brass.

6107-BK01 Eaton Crouse-Hinds series cam-lock j series E1017-375
Camlock double set screw female black: product length/depth 7.38", Product height
2.69", product width 2.69", weight 4.16 lbs, NEMA rating 3R, cable size 350-500 KCMIL,
amp rating up to 545amps continuous, voltage rating 600 vac/dc, material rubber,
connection type double set screw, Female, color black, material brass.

6107-BK02 Eaton Crouse-Hinds series Cam-Lok J Series E1017 plug E1017-377
Camlock double set screw female red: product length/depth 7.38", Product height
2.69", product width 2.69", weight 4.16 lbs, NEMA rating 3R, cable size 350-500 KCMIL,
amp rating up to 545amps continuous, voltage rating 600 vac/dc, material rubber,
connection type double set screw, Female, color red, material brass.

6107-BK03 Eaton Crouse-Hinds series Cam-Lok J Series E1017 plug. E1017-379.
Camlock double set screw female green: product length/depth 7.38", Product height
2.69", product width 2.69", weight 4.16 lbs, NEMA rating 3R, cable size 350-500 KCMIL,
amp rating up to 545amps continuous, voltage rating 600 vac/dc, material rubber,
connection type double set screw, Female, color green, material brass.

6107-BK04 Eaton Crouse-Hinds series Cam-Lok J Series E1017 plug. E1017-380.
Camlock double set screw female white: product length/depth 7", Product height 2.69",
product width 2.69", weight 4.16 lbs, NEMA rating 3R, cable size 350-500 KCMIL, amp
rating up to 545amps continuous, voltage rating 600 vac/dc, material rubber,
connection type double set screw, Female, color white, material brass.

6107-BK05 Light String

Molded String lights 500 feet 12/3 Yellow SOW/SED cable with black molded sockets at
10 foot intervals with shop 25D stamped on each socket.
