

Contractor Questions
Solicitation FA558726Q0017
100 LRS Wheel and Tire Containers

Questions

1. Inspection & Acceptance Location:

Can you please confirm that inspection and acceptance will occur at the following location, as listed in the solicitation?

The inspection & acceptance location will need to be our actual address, not the APO address:

**Building 768,
RAF Mildenhall,
Bury St Edmunds,
Suffolk,
UK,
IP28 8NG**

2. Current System Challenges / User Feedback:

To better align our solution with operational needs, are you able to share any known issues, limitations, or areas for improvement with the currently fielded wheel and tire containers?

For question 2, we currently don't have any wheel & tire containers, so cannot share any feedback regarding them.
