Questions and Answers

7/17/25

Q1. Can you provide a device count?

A1. The park does not have a specific count in writing although appendix A shows the number of intrusion, FM200, etc. The Statement of Work does outline the types of systems in each building. There are 2 backflow devices at Collections, 2 at Hamilton, 2 at Cole Digges, 3 at Yorktown Visitor Center, 2 at Jamestown Maintenance, 1 at Neck-o-land, 2 at Jamestown Research Center, 2 at Jamestown Visitor Center, and 2 at Glasshouse.

Q2. Can you provide previous inspection/testing reports?

A2. No, previous inspection reports are not aligned with the current requirements.

Q3. Is there an incumbent for this solicitation? If so, what was the previous grand total awarded?

A3. No, previous contract is not the same scope or count of devices to current requirement.
