Questions and Answers for Annual Audio-Visual Maintenance at NH Jacksonville, FL / BHC Kings Bay, GA / BHC Mayport, FL :

1. Please confirm whether this is primarily a service-only maintenance contract or if the Government also expects the contractor to perform minor system upgrades, component replacement, and hardware refresh work under this award.
 - See Section 1.2 of the Performance Work Statement (PWS) (Repairs, Diagnostic Testing and System Programming are listed with Preventative Maintenance)
2. Please confirm whether the historical workload estimate of 20 hours per quarter per site is intended to represent the full expected recurring labor baseline for PM, service coordination, and telephone support.
 - The 20 Hours per quarter referenced in Attachment 3 is the full expected support, but should be noted that it is just an estimated quantity.
3. Please confirm required response times for:
 - Standard service requests - Routine quarterly services
 - Urgent outages - See Section 5.1.2. of the PWS for repairs. Shall be completed within five (5) business days.
 - Mission-critical/ executive conference failures - See Section 5.1.1. of the PWS for Service calls. The contractor shall respond to the NHJAX or BHC Management Information Department (MID) point of contact (POC) by telephone call within two hours of receipt.
4. Please confirm whether there is a required on-site response SLA by severity level.
 - There is no SLA by severity level stated in the PWS.
5. Prevailing wage?
 - All duties will be incorporated into one rate per period of performance (Preventative Maintenance, Repairs, Diagnostic Testing and System Programming)
6. Please confirm site access requirements for Naval Hospital Jacksonville, Kings Bay, and Mayport, including base access, badging, escort requirements, background checks, and lead times for site clearance
 - See Section 1.12.2. of the PWS for Base Access. NAS JAX uses DBIDs for continued base access and is renewed annually. Once all documents are received processing takes approximately 2 weeks. Branch Health Clinics require base escort and should be coordinated through the COR for specific technical POCs located at those sites.
7. Please confirm whether work may be performed during normal business hours only, or if after-hours service windows are preferred for clinical and conference spaces.
 - The hours of operation won't vary from Section 1.7.3. of the PWS.
8. Please confirm whether parking, unloading, and tool staging areas will be made available at each site.
 - Dedicated parking, unloading, and tool staging areas will be available for each site.
9. Please confirm whether all listed equipment is currently installed, operational, and in service.
 - All equipment is currently installed but at the time of award if any equipment has been replaced it will be identified in the post award inventory.
10. Please confirm whether any listed equipment is currently offline, obsolete, unsupported, or scheduled for replacement
 - All equipment is currently online and within warranty specifications. Upgrades have been made within the past 24 months and replacement is not required at this time.
11. Please confirm whether existing as-builts, signal flow diagrams, programming files, rack elevations, and network topology documentation are available.

- *This information won't be provided until an award is made.*

12. Please confirm whether remote monitoring / remote access will be permitted for supported AV systems.

- *All services are on-site, and no remote monitoring / remote access will be permitted.*

See Section 1.5 of the PWS for Scope: The Contractor shall provide maintenance on A/V equipment that is in support of NHJAX and associated BHC's. Services include preventive maintenance, telephone support, and routine and emergency support. The contractor shall establish schedules to support preventive maintenance and provide contact information for telephone support and its designated representative.

13. Can you provide the Crestron code/files for each location?

- *We will not be providing the Crestron Code/Files to any potential offerors at this time, the codes/files can be provided to the awardee at the time of award.*

14. Can you confirm whether there is an incumbent on this requirement and, if so, the current contract value?

- *The current incumbent contract is N0023221F0023, and the value of the most recent option period is \$55,803.60.*

15. Can you confirm the documentation required for this project?

- *All required documentation is discussed within 52.212-2, which is on the last page of the Solicitation.*

16. Is a site visit allowed prior to award?

- *Be advised that the Government will not be conducting site visits for this requirement. All information necessary for the preparation of your proposal is contained within the solicitation documents.*

17. I wanted to ask regarding on the solicitation, since it has 2 locations in Florida and Georgia does this mean we will be looking for 2 sub-contractors for these locations?

- *The number of subcontractors used is up to the offeror, whatever is necessary to fulfill the requirements of the PWS.*

52.222-90 Addressing DEI Discrimination by Federal Contractors.

As prescribed in 22.2203, insert the following clause:

Addressing DEI Discrimination by Federal Contractors (Deviation DATE)

(a) Definitions. As used in this clause-

Program participation means membership or participation in, or access or admission to: training, mentoring, or leadership development programs; educational opportunities; clubs; associations; or similar opportunities that are sponsored or established by the contractor or subcontractor.

Racially discriminatory diversity, equity, and inclusion (DEI) activities means disparate treatment based on race or ethnicity in the recruitment, employment(e.g., hiring, promotions), contracting (e.g., vendor agreements), program participation, or allocation or deployment of an entity's resources.

(b) In connection with the performance of work under this contract, the Contractor agrees as follows:

(1) The Contractor will not engage in any racially discriminatory DEI activities;

(2) The Contractor will furnish all information and reports, including providing access to books, records, and accounts, as required by the Contracting Officer, for purposes of ascertaining compliance with this clause;

(3) In the event of the Contractor's or a subcontractor's noncompliance with this clause, this contract may be canceled, terminated, or suspended in whole or in part, and the Contractor or subcontractor may be declared ineligible for further Government contracts;

(4) The Contractor will report any subcontractor's known or reasonably knowable conduct that may violate this clause to the Contracting Officer and take any appropriate remedial actions directed by the Contracting Officer; and

(5) The Contractor will inform the Contracting Officer if a subcontractor sues the Contractor and the suit puts at issue, in any way, the validity of this clause.

(6) The Contractor recognizes that compliance with the requirements of this clause are material to the Government's payment decisions for purposes of 31 U.S.C. 3729(b)(4).

(c) The Contractor must include the substance of this clause, including this paragraph(c), in subcontracts at any tier, including those for commercial products and commercial services, except those where the place of delivery or performance is outside the United States.

(End of clause)
