Continuation of block 14. DESCRIPTION OF AMENDMENT/MODIFICATION

The purpose of this amendment is to add Line Item 0002 for solicitation of New/Unused Government Surplus, and to extend the proposal due date to allow ample time for surplus offers.

FIRST: Line Item 0002 for New/Unused Government Surplus was added.

SECOND: The proposal due date has been extended as follow:

FROM: 30 June 2025

TO: 3 June 2026

THIRD: All other terms and conditions remain the same for this solicitation.

PART I - THE SCHEDULE
SECTION B
SUPPLIES OR SERVICES AND PRICES/COSTS

Offers for any quantity up to 23 each will be accepted.

Surplus material MUST meet conditions specified in the attached 'Surplus Material Worksheet', AFMC Form 813.

Surplus offerors shall complete the Line Item below and complete the 'Surplus Material Evaluation', SME Form v1.2, attached herein.

Inspection and Acceptance Reports will be submitted using Wide Area Workflow (WAWF).

The Government retains the right to return any unusable/unserviceable assets to the contractor at the contractors expense.

Acceptable New/Unused Government Surplus:

New and unused material is acceptable provided it has never been installed or used. It shows no signs of rust, corrosion, or other deterioration due to age or improper packaging/preservation. It has not been reconditioned and shows no evidence of disassembly or reassembly.

New/Unused Government Surplus Notes:

Authorized part number is 81405 and must have been manufactured by CAGE 11599 and no other part numbers are acceptable.

OFFERORS MUST ANNOTATE ALL PART NUMBERS BEING OFFERED.

Surplus material shall be new material only, acceptance inspection shall be conducted at destination facility. Engineering approval prior to acceptance inspection.

Prior Government Ownership of Items:

Items that were previously owned by the Government must be evidenced by the item marking contained on the original shipping containers or nameplate.

Listing Of Surplus Material: (CONTRACTOR FILL-IN)

Submission of the following information for each item of surplus material included in the offeror's proposal is required to comply with the terms and conditions of FAR 11.302 (b). Information must be adequate to provide the basis for determinations required by the policy contained in FAR 11.302(b).

(a) Surplus Item Identification: _____

NSN: _____

Noun: _____

PN: _____

- Drawing Revision Letter: _____ Manufacturer Cage Code: _____
- (b) Federal Supply Code for Manufacturer (FSCM) marked on items per MIL-STD-130: _____
- (c) Quantity available for verification at dealer's facility: _____
- (d) Original manufacturer, government contract number: _____
- (e) Material was subsequently purchased as surplus from: _____ (Manufacturer or Agency)
- (f) DLA sale number _____ and date of sale by Government: _____
- (g) Do you have the drawings for this item? If yes, what is the revision letter/number and the date of the last revision of the drawings? _____
- (h) History of items since initially sold as surplus by Government or manufacturer: _____ (Storage Location, Packaging, Rework, Reconditioning, Repair, etc.)
- (i) Are items being offered in original unbroken containers? _____
- (j) Date of manufacture or packaging: _____
- (k) Material offered is warranted by the Contractor for a period of ____ months as contemplated by FAR 52.246-17, Warranty of Supplies of a Noncomplex Nature. *(12 Months is presumed unless otherwise specified. If surplus is purchased, warranty may or may not be included in the award.)*
- (l) The surplus items offered fit the conditional definition indicated below: (Check the appropriate definition and provide requested information. Use additional paper if more space is necessary.) (NOTE: Dates, Technical Order compliance, quality considerations, and component sources are essential information for categories (2), (3), and (4) below.)
- ☐ (1) New and unused: material has never been installed or used. It shows no signs of rust, corrosion, or other deterioration due to age or improper packaging/preservation. It has not been reconditioned and shows no evidence of disassembly or reassembly.
- ☐ (2) New and reconditioned: material has never been installed or used. It shows no signs of rust, corrosion, or other deterioration due to age or improper packaging/preservation. Reconditioning is allowed to the extent that gaskets, seals, O-rings, or other such cure-dated items have been or will be replaced prior to use in accordance with the applicable technical orders and specifications.
- Source of reconditioning: _____
- Summary of reconditioning: _____
- ☐ (3) New and modified: material has never been installed or used. It shows no signs of rust, corrosion, or other deterioration due to age or improper packaging/preservation. Components may have been (or may need to be) replaced in accordance with the applicable technical specifications for the purpose of configuration update or modification.
- Source of modification: _____
- Summary of modification: _____
- ☐ (4) Used and overhauled: material, which has been previously installed in operational equipment. It has been or can be completely overhauled, repaired, reconditioned, or modified per the applicable technical specifications to serviceable status.
- Source of Overhaul Cage code: _____
- Overhaul technical order: _____ Revision Number _____

C04 Unused Former Government Surplus Property (DEC 2016)

To be considered for award, the offeror must complete and submit the following representation with their offer. Additional supporting documentation to demonstrate the surplus material offered was previously owned by the Government and meets solicitation requirements must be provided within 24 hours of request by the contracting officer.

(1) The material is new, unused, and not of such age or so deteriorated as to impair its usefulness or safety.

Yes____ No____

The material conforms to the technical requirements cited in the solicitation (e.g., Government

Entity (CAGE) Code and part number, specification, etc.). Yes____ No____

The material conforms to the revision letter/number, if any is cited. Yes____ No____ Unknown____ If No, the revision does not affect form, fit, function, or interface. Yes____ No____ Unknown____ The material was manufactured by: (Name): (Address):

(2) The offeror currently possesses the material Yes____ No____

If yes, the offeror purchased the material from a Government selling agency or other source. Yes____ No____

If yes, provide the following:

Government Selling Agency:

Contract Number:

Contract Date: (Month, Year):

Other Source:

Address:

Date Acquired: (Month/Year)

(3) The material has been altered or modified. Yes____ No____

If Yes, the offeror must provide the name of the company that performed the alteration or modification and attach or forward to the contracting officer a complete description of the alterations or modifications.

(4) The material has been reconditioned. Yes____ No____

If Yes, (i) the price offered includes the cost of reconditioning /refurbishment. Yes____ No____; and (ii) the offeror must provide information on the company that reconditioned the material with the certifications and attach or forward to the contracting officer a complete description of any work done or to be done, including the components to be replaced and the applicable rebuild standard. The material contains cure-dated components. Yes No

If Yes, (i) the price includes replacement of cure-dated components. Yes____ No____ ; and (ii) provide cure date to the contracting officer.

(5) The material has data plates attached. Yes____ No____

If Yes, the offeror must state below all information contained thereon, or forward a copy or facsimile of the data plate to the contracting officer.

(6) The offered material is in its original package. Yes____ No____

If yes, the offeror has stated below all original markings and data cited on the package; or has attached or forwarded to the contracting officer a copy or facsimile of original package markings:

Contract Number NSN

CAGE Code

Part Number

Other Markings/Data

(7) The offeror has supplied this same material (National Stock Number) to the Government before.

Yes____ No____

If Yes, (i) the material being offered is from the same original Government contract number as that provided previously. Yes____ No____ ; and (ii) state below the Government Agency and contract number under which the material was previously provided:

Agency Contract Number_____

(8) The material is manufactured in accordance with a specification or drawing. Yes____ No____

If Yes, (i) the specification/drawing is in the possession of the offeror. Yes____ No____ ; and (ii) the offeror has stated the applicable information below, or forwarded a copy or facsimile to the contracting officer. Yes____ No____

Specification/Drawing Number Revision (if any) Date _____

(9) The material has been inspected for correct part number and for absence of corrosion or any obvious defects.

Yes____ No____

If Yes, (i) material has been re-preserved. Yes____ No____ ;

(ii) material has been repackaged. Yes____ No____ ;

(iii) percentage of material that has been inspected is ____ %; and/or

(iv) number of items inspected is____; and

(v) a written report was prepared. Yes____ No____; and if Yes, the offeror has attached the written report or forwarded it to the contracting officer. Yes____ No____

The offeror agrees that in the event of award and notwithstanding the provisions of the solicitation, Inspection and acceptance of the surplus material will be performed at source or destination subject to all applicable provisions for source or destination inspection.

The offeror has attached or forwarded to the contracting officer one of the following, to demonstrate that the material being offered was previously owned by the Government (offeror check which one applies):

For national or local sales,
conducted by sealed bid,
spot bid or auction methods,
a solicitation/Invitation

For Bid and corresponding DLA Disposition Services Form 1427, Notice of Award, Statement and Release Document.

For DLA Disposition Services Commercial Venture (CV) Sales, the shipment receipt/delivery pass document and invoices/receipts used by the original purchaser to resell the material.

When the above documents are not available, or if they do not identify the specific NSN being acquired, a copy or facsimile of all original package markings and data, including NSN, commercial and Government entity (CAGE) code and part number, and original contract number. (This information has already been provided in paragraph (c)(6) of this clause. Yes _____ No _____.)

When none of the above are available, other information to demonstrate that the offered material was previously owned by the Government. Describe and/or attach.

This only applies to offers of Government surplus material. Offers of commercial surplus, manufacturer's overruns, residual inventory resulting from terminated Government contracts, and any other material that meets the technical requirements in the solicitation but was not previously owned by the Government will be evaluated in accordance with the DLAD procurement note L04, Offers for Part Numbered Items.

If requested by the contracting officer, the offeror shall furnish sample units, in the number specified, to the contracting officer or to another location specified by the contracting officer, within 10 days after the contracting officer's request. The samples will be furnished at no cost to the Government. All such samples not destroyed in evaluation will be returned at the offeror's expense. The samples will be evaluated for form, fit, and function with subassembly, assembly, or equipment with which the items are to be used. End items furnished under any contract award to the offeror furnishing the samples can include the returned samples, and all acceptable end items will have a configuration identical to the samples. If specific tests of the samples' performance are made by the Government,

the offeror will be furnished the results of such tests prior to a contract being entered into. In addition to any other inspection examinations and tests required by the contract, the performance of the end items will be required to be as good as that of the samples submitted.

In the event of award, the contractor will be responsible for providing material that is in full compliance with all requirements in the contract or order. The surplus material to be furnished must meet the requirements of the current contract or order, whether or not the material met Government requirements in existence at the time the material was initially manufactured or sold to the Government. If higher-level contract quality requirements apply to the material being acquired, those requirements do not apply to surplus material furnished under this contract.

Surplus material shall be new/unused material only, acceptance inspection shall be conducted at destination facility.

Authorized manufacturer cage code and part number are listed above.

Surplus supply vendors are not part manufacturers, they are supply vendors.
