

COMBINED SYNOPSIS / SOLICITATION

RFQ 70Z08426QWOPL0002

1. This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in Federal Acquisition Regulation Part 12, *Acquisition of Commercial Items* and FAR Part 15, *Contracting by Negotiation*. This announcement constitutes the only solicitation; proposals are being requested, and a written solicitation will not be issued.

- a. This is a Request for Quotes (RFQ) to provide Concrete Sinkers for Western Rivers used as Aids to Navigation (ATON). The solicitation number is **70Z08426QWOPL0002**. This request is being issued by Contract Office 7008: DHS, USCG Operational Logistics Command (LOG-95), 300 East Main Street, Suite 965, Norfolk, VA 23510.
- b. This notice incorporates provisions and clauses in effect through Revolutionary Federal Acquisition Regulation Overhaul. The full text of FAR Clauses may be accessed electronically at: <https://www.acquisition.gov/far-part-deviation-guide/far-overhaul-part-52> The full text of HSAR Clauses may be accessed electronically at: <https://www.acquisition.gov/hsar>
- c. This solicitation is issued as a Total Small Business Set-Aside in accordance with FAR 19.5. The North American Industry Classification (NAICS) 327331(Concrete Block and Brick Manufacturing) and the size standard is 500 employees.
- d. The Schedule of Supplies/Services is divided into three (3) geographical areas (Ohio River Valley Area, Upper Mississippi Valley Area, Lower Mississippi Valley Area).

Offerors have the option to submit a proposal for any one Area, or any two Areas, or all three Areas, as shown in Attachments 1 through Attachment 3.

Each Schedule of Supplies/Services for the three (3) geographical areas will be **individually evaluated** and rated and treated as a separate offer.

There is a potential of up to three (3) contracts to be awarded under this solicitation

Attachment 1: OHIO RIVER VALLEY AREA

Attachment 2: UPPER MISSISSIPPI VALLEY AREA

Attachment 3: LOWER MISSISSIPPI VALLEY AREA

For each Schedule of Supplies/Services Attachment submitted, the offeror shall complete the Price Schedule, which includes tabs for each performance period (Base Period through Option Period 4), in the Excel document sheet and submit with their completed offer.

- 1) The offeror shall provide a "Unit Price" for all items. Although formulas calculate the "Amounts" and the "Grand Totals" in the Excel spreadsheet, please double check that the calculations are correct before you submit your proposal and ensure you are using two decimal places in the unit price to prevent rounding errors.
- 2) For each CLIN in the option years, the offeror shall provide the amount of the portion of the unit price that is subject to the EPA Clause in the columns labeled "Portion of the Unit Price Subject to the EPA". Concrete Sinkers are subject to the EPA Clause for #2 Diesel Fuel. For purposes of submitting a proposal, the "Portion of the Unit Price Subject to the EPA" should be the same amount for the same item for performance periods Option Period 1 – Option Period 4. **There is no EPA applicable in the Base Period.**

Example: When an offeror completes a Price Schedule, if the “Portion of the Unit Price Subject to the EPA” for CLIN 1001AA, Concrete Sinker is \$32 for the Option Period 1, then it should be \$32 for each Option Period CLIN for the same item (CLINs 2001AA – 4001AA) also. (Note: The sample below involves the same item.)

<i>CLIN</i>	<i>Description of Supplies/Services</i>	<i>Portion of Unit Price Subject to EPA</i>
<i>0001AA</i>	<i>Concrete Sinker</i>	<i>N/A</i>
<i>1001AA</i>	<i>Concrete Sinker</i>	<i>\$32.00</i>
<i>2001AA</i>	<i>Concrete Sinker</i>	<i>\$32.00</i>
<i>3001AA</i>	<i>Concrete Sinker</i>	<i>\$32.00</i>
<i>4001AA</i>	<i>Concrete Sinker</i>	<i>\$32.00</i>

The completed awarded Schedule of Supplies/Services will be incorporated into Section IV of the contract upon award.

- e. This Request for Quotes is issued to establish up to three (3) Indefinite Delivery Indefinite Quantity (IDIQ) Contracts with Economic Price Adjustments for a period of five years, with Firm Fixed-Price (FFP) orders solicited under FAR parts 12 and 15, to provide Concrete Sinkers to Coast Guard Units in accordance with **Attachment 4, Specification for Concrete Sinkers and Attachment 5, Drawings 120206 & 121207.**
- f. FAR Provision 52.212-1, Instruction to Offerors-Commercial Products and Services, applies to this acquisition and any addenda to the provision **(See Attachment 6).**
- g. FAR Provisions 52.212-2, Evaluation-Commercial Products and Services, applies to this acquisition with specific evaluation criteria **(See Attachment 6).**
- h. FAR Clause 52.212-4, Contract Terms and Conditions-Commercial Items, applies to this acquisition, and any addenda to the clause **(See Attachment 6).**
- i. The acquisition is not rated.
- j. Offerors responding to this announcement shall submit their proposals via email to

James.C.Kanash@uscg.mil

Arvett.L.Blount@uscg.mil

Quotes must be received by 3:00 PM Eastern, Wednesday, June 3, 2026, to be considered for award. Electronic submissions only.

Proposal submissions must contain the following:

- 1. Price Section/Volume (Schedule of Prices) and;
- 2. Technical Section/Volume (Responses to “Technical Approach to the Requirement” and “Recent Relevant Experience”, page 11-13 of Attachment 6)

2. The following Attachments apply to RFQ 70Z08426QWOPL0007:

Attachment 1: Schedule of Prices for OHIO RIVER VALLEY AREA

Attachment 2: Schedule of Prices for UPPER MISSISSIPPI VALLEY AREA

Attachment 3: Schedule of Prices for LOWER MISSISSIPPI VALLEY AREA

Attachment 4: Specification for 1,000 lb., 1,500 lb. and 2,000 lb. Concrete Sinkers

Attachment 5: Drawings 120206 & 121207 Concrete Sinkers

Attachment 6: FAR Clauses and Provisions

Attachment 7: Past Performance Questionnaire (PPQ) *(will be removed at time of award)*

Attachment 8: Shipping Addresses

Attachment 9: DHS Form 700-21 Material Inspection and Receiving Report

Attachment 10: SF-1449 (optional, for award only)

3. This requirement consists of a Base Year and Four Options Years

Anticipated Contract Performance Periods *(dates may change based on contract award date)*

Base Period: 15 June 2026 (or date award) – 14 June 2027

Option Period One: 15 June 2027 – 14 June 2028 *(If exercised by the Government)*

Option Period Two: 15 June 2028 – 14 June 2029 *(If exercised by the Government)*

Option Period Three: 15 June 2029 – 14 June 2030 *(If exercised by the Government)*

Option Period Four: 15 June 2030 – 14 June 2031 *(If exercised by the Government)*

4. Schedule of Supplies/Services is provided as Attachment 1, Attachment 2, and Attachment 3. All prices submitted in response to this solicitation shall be in whole dollar amounts and based on fixed prices. The Government will evaluate offers for award purposes by adding the total prices for all options to the total price for the basic requirements. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

Fixed Unit Prices shall include all costs to provide the supplies, which includes, but is not limited to, all applicable Federal, State, and local taxes and duties in accordance with FAR Clause 52.212-4(k), *Taxes* and all FOB destination, delivery, and shipping charges. Note: FAR Clause 52.212-4(x), *Economic Price Adjustment (EPA) – Fuels*, is only applicable to the cost of transportation.

Minimum Guarantee: The Government guarantees an award amount of **\$5,000** as a result of this solicitation over the full term of the contract.

5. Any award(s) resulting from this solicitation will be issued on Standard Form (SF) 1449.

6. Payment will be made by Electronic Funds Transfer (EFT) to the financial institution listed in the System for Award Management (SAM) (See FAR Clause 52.232-33). Electronic submission of invoices is mandatory for this contract and/or any orders issued in accordance with this contract.

7. It shall be the obligation of the offeror to exercise due diligence to discover and to bring to the attention of the Government any ambiguities, inconsistencies, or concerns regarding the information in this solicitation. **All questions/concerns regarding this solicitation shall be submitted via email to the Contract Specialist at [James.C.,Kanash@uscg.mil](mailto:James.C.Kanash@uscg.mil) and Arvett.L.Blount@uscg.mil no later than 15 days prior to the due date for receipt of proposal.** Follow-up/additional questions will not be accepted after this date, unless the date for receipt of proposal is extended an “Amendment of Solicitation” (SF-30), which will be posted on the beta.SAM.gov website for viewing by all potential offerors.

8. Place of Performance: Principal place of performance will be at the Contractor’s Facility with delivery to various USCG locations.

9. Please ensure that **all Attachments** are reviewed and completed as indicated. Your form for input of the **Unit Price amounts is found in Attachment 1, Attachment 2, and Attachment 3** and **Technical Factors are found in Attachment 6**, Clauses and Provisions and both must be returned with your proposal along with any Solicitation Amendments, if issued.

Delivery Orders shall be in accordance with FAR Clause 52.216-18. An emergency order will be confirmed with a Form OF-347 written and signed order from the Contracting Officer within three (3) workdays after a call is placed.

EMAIL ADDRESS FOR DELIVERY ORDERS

Contractors shall indicate email addresses below where delivery orders shall be sent:

E-mail:

E-mail:

Electronic submission of invoices is mandatory for this contract and/or any orders issued in accordance with this contract.

1. Upon completion of each contract requirement (or monthly increment thereof), the Contractor shall prepare and furnish to the COR/Alternate COR for approval a **DHS 700-21 Form, Material Inspection and Receiving Report (Attachment 3)**. One copy of each DHS 700-21 Form, or approved equivalent, shall be submitted with the invoice. The report shall include:

- Contract number.
- DHS 700-21 Form or equivalent invoice number.
- CLIN Number, CLIN description, quantity, unit price, and extended price.
- Description of any invoice deductions.

- A copy of the Progress Report

Invoices shall not be submitted until the Material Inspection and Receiving Report (DHS 700-21) has been approved by the COR.

2. In conjunction with the subject award, proper invoices will be submitted through the Invoice Processing Platform (IPP) at <https://www.ipp.gov/>. IPP is a secure web-based electronic invoicing system provided by the U.S. Department of the Treasury's Bureau of the Fiscal Service in partnership with the Federal Reserve Bank of St. Louis (FRSTL). IPP is available at no cost to any commercial vendor or independent contractor doing business with a participating government agency.

Actions to take:

If you are already enrolled in IPP:

If your company is already registered to use IPP, you will not be required to re-register, and you do not need to contact IPP.

If you are NOT already enrolled in IPP:

The point of contact you provided in your SAM.gov registration will receive two emails from ipp.noreply@mail.ero.c.twai.gov. Please note that emails from this email address may filter into your spam or junk folder:

1. The first email will have the IPP Logon ID and a link to the IPP application.
2. A second email, which will be sent within 24 hours of the first email, contains a temporary password.

Once your contact receives these emails, please ensure they log into IPP and complete the registration process. Once registered to use IPP, your company may submit invoices electronically, receive e-mail notifications when requests are paid, view payment history, and access remittance downloads. The e-mail notification of payment is sent when a payment is distributed to your bank account and may include the following payment information: Date of payment, dollar amount, invoice number, paying agency, payee name, and ACH trace number.

Vendor training materials, including a first time login tutorial, are available on the <https://www.ipp.gov/> website. Once you have logged in to the IPP application, you will have access to user guides that provide step-by-step instructions for all IPP capabilities, ranging from creating and submitting an invoice to setting up email notifications. Live webinars are held monthly and provide a great opportunity to learn the basics of the system and to call in and ask the IPP team questions about the IPP application.

IPP Customer Support is available to assist users of the system and can answer your questions related to accessing IPP or completing the registration process.

- Toll-free number: 866-973-3131
- Email address: IPPCustomerSupport@fiscal.treasury.gov
- Hours of operation: Monday through Friday (excluding bank holidays) from 8:00 am - 6:00 pm ET

3. Invoices shall only be submitted after the supplies are received, inspected, and accepted by the government.

Schedule of Supplies/Services: (See Attachment 1, Attachment 2, and Attachment 3)

Contract Type/Ordering: The contract type is an Indefinite-Delivery Indefinite-Quantity (IDIQ) Contract with Fixed Unit Prices* (base period with four option periods) with annual adjustments made for economic price adjustments for Diesel Fuel. Delivery Orders will be issued in accordance with the contract when supplies are required by the Governments. Delivery Orders will be issued on an Optional Form 347 (OF-347), "Order for Supplies or Services" (or other equivalent form). Individual Delivery Orders will specify the quantity ordered and the required delivery date(s) and locations. Delivery Orders may be issued orally, by facsimile, by electronic commerce (e.g., e-mail), or by mail. **The Contractor is not authorized to provide supplies prior to the issuance of a Delivery Order.**

*Fixed Unit Prices shall include all costs (direct and indirect labor, overhead, general and administrative expenses and profit) to provide and deliver the supplies, which includes, but are not limited to, all applicable Federal, State, and local taxes and duties in accordance with FAR Clause 52.212-4(k), *Taxes* and all FOB destination, delivery and shipping charges. Note: FAR Clause 52.212-4(w), *Economic Price Adjustment (EPA) – Diesel Fuel*, is only applicable to the cost of diesel fuel.

Estimated Quantities

The quantities of supplies specified in the "Schedule of Supplies/Services" are estimates only and are not purchased by this contract. The quantities needed may increase or decrease based on the needs of the U.S. Coast Guard.

Contract Performance Periods:

Base Period: 15 June 2026 (or date of award) – 14 June 2027
Option Period 1: 15 June 2027 – 14 June 2028
Option Period 2: 15 June 2028 – 14 June 2029
Option Period 3: 15 June 2029 – 14 June 2030
Option Period 4: 15 June 2030 – 14 June 2031

The contract performance period shall not exceed five years if all option periods are unilaterally exercised by the Government in accordance with FAR Clause 52.217-9.

Abbreviations:

The following abbreviation(s) are used in the "Schedule of Supplies/Services and Unit Prices."

CLIN: Contract Line Item Number

EA: Each

GENERAL INFORMATION FOR COMPLETING SCHEDULE OF SUPPLIES/SERVICES

Schedule of Supplies/Services are provided as:

Attachment 1: OHIO RIVER VALLEY AREA

Attachment 2: UPPER MISSISSIPPI VALLEY AREA

Attachment 3: LOWER MISSISSIPPI VALLEY AREA

All prices submitted in response to this solicitation shall be in whole dollar amounts and based on fixed prices. The Government will evaluate offers for award purposes by adding the total prices for all options to the total price for the basic requirements. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

A list of Contract Line-Item Numbers (CLINs) and items, quantities, and units of measure (including options) is found on each of Attachments (Attachment 1, Attachment 2, and Attachment 3). Unit prices for the Option years are subject to an Economic Price Adjustment.

The Schedule of Supplies/Services is provided in three Attachments for various River Valley Areas.

Offerors have the option to submit a proposal for any one Area, any two Areas, or all three Areas, as shown in Attachments 1 through 3.

For each Schedule of Supplies/Services Attachment submitted, the offeror shall complete the Price Schedule, which includes tabs for each performance period (Base Period through Option Period 4), in the Excel document sheet and submit with their completed offer.

- 1) The offeror shall provide a “Unit Price” for all items. Although formulas calculate the “Amounts” and the “Grand Totals” in the Excel spreadsheet, please double check that the calculations are correct before you submit your proposal and ensure you are using two decimal places in the unit price to prevent rounding errors.
- 2) For each CLIN in the option years, the offeror shall provide the amount of the portion of the unit price that is subject to the EPA Clause in the columns labeled “Portion of the Unit Price Subject to the EPA”. Lanterns are subject to the EPA Clause for #2 Diesel Fuel. For purposes of submitting a proposal, the “Portion of the Unit Price Subject to the EPA” should be the **same amount for the same item for performance periods Option Period 1 – Option Period 4. There is no EPA applicable in the Base Period.**

Example: When an offeror completes a Price Schedule, if the “Portion of the Unit Price Subject to the EPA” for CLIN 1001AA, Concrete Sinker is \$32 for the Option Period 1, then it should be \$32 for each Option Period CLIN for the same item (CLINs 2001AA – 4001AA) also. (Note: The sample below involves the same item.)

<i>CLIN</i>	<i>Description of Supplies/Services</i>	<i>Portion of Unit Price Subject to EPA</i>
<i>0001AA</i>	<i>Concrete Sinker</i>	<i>N/A</i>
<i>1001AA</i>	<i>Concrete Sinker</i>	<i>\$32.00</i>
<i>2001AA</i>	<i>Concrete Sinker</i>	<i>\$32.00</i>
<i>3001AA</i>	<i>Concrete Sinker</i>	<i>\$32.00</i>
<i>4001AA</i>	<i>Concrete Sinker</i>	<i>\$32.00</i>

- 3) The completed award price schedule will be incorporated into Section IV of the contract upon award.

STATEMENT OF WORK

See Attachment 4, Specification for 1,000 lb., 1,500 lb. and 2,000 lb. Concrete Sinkers and Attachment 5, Drawings 120206 & 121207 Concrete Sinkers

Statement of Work. The Contractor shall manufacture and deliver Concrete Sinkers for Western Rivers used by Aids to Navigation (ATON) units across the U. S. Coast Guard that meet the requirements identified in the Specification for 1,000 lb., 1,500 lb. and 2,000 lb. Concrete Sinkers Attachment 4, and Drawings 120206 & 121207 Concrete Sinkers (Attachment 5). The Contractor shall furnish all necessary material, labor (direct and indirect), equipment, transportation, facilities and supervision to manufacture, fabricate and deliver Concrete Sinkers. The Contractor shall provide the necessary program management oversight to assure that all delivery schedules are met and the subcontracted parts and services, if any, meet all requirements of this contract.

Program Management. Meetings may be held regularly to ensure effective program management and efficient and effective resolution of problems throughout the life of the contract. At least ten (10) working days before any meeting, unless otherwise stated, the party requesting or hosting the meeting (Contractor or Government) shall notify the other party (Contractor or Government) of the time, date, location, and proposed agenda of the meeting. The types and frequency of these meetings shall include, as a minimum, those described as follows:

Post-Award Conference: A post-award conference shall be required prior to the commencement of any work under this contract. The post-award conference shall be conducted via teleconference call.

Program Overview Meeting (POM): POM shall be held, if requested, by the Government or Contractor. The Contractor shall conduct the POM at the Contractor's facility, a Government facility, or a subcontractor's facility, as appropriate for the major topics of discussion. The purpose of POMs shall be to surface, discuss, and resolve or assign responsibility for resolving through mutual agreement, technical, schedule and programmatic issues associated with this contract. The Contracting Officer's Representative (COR) or Contracting Officer may also require a POM if the COR or Contracting Officer believes there are technical problems, schedule risks, or issues that require Government attention. The party requesting the POM (Contractor or Government) prepare and submit an agenda for review by the other party at least ten (10) calendar days prior to each POM. Either party may request additional items to be added to the agenda. The Government will publish the final agenda prior to the POM. The Government will also prepare and distribute minutes for all POMs. The minutes shall include a narrative summation of each issue discussed at the POM, a list of attendees, list of action items, if any, and a schedule of planned activities.

Access to Contractor Facilities. The Contractor shall allow the Contracting Officer or his/her authorized designee to enter the Contractor or Subcontractor(s) facility for the purpose of observation, inspection, or consultation during all phases of fabrication, if requested.

Transportation: All delivery/transportation costs shall be included in the fixed price for associated CLIN(s). Fixed Unit Prices shall include all costs to provide the supplies, which includes, but is not limited to, all applicable Federal, State, and local taxes and duties in accordance with FAR Clause 52.212-4(k), *Taxes* and all FOB destination, delivery, and shipping charges. Note: FAR Clause 52.212-4(x), *Economic Price Adjustment (EPA) – #2 Diesel Fuel*, is only applicable to the cost of fuel.

Deliveries: All deliveries will be made no later than the date specified on the delivery order, unless otherwise discussed and approved by the Contracting Officer. All deliveries shall be made Monday through Friday between the hours of 10:00 am and 3:00 pm, local time of the destination. No deliveries shall be scheduled or made on federally observed holidays. Requests to deliver later than the date specified on the delivery order must be approved by the Contracting Officer. The Coast Guard reserves the right prior to agreeing to a delivery date to declare a date as a non-delivery date. Expenses incurred by the contractor due to failure to make delivery on a mutually agreed upon delivery date shall be the responsibility of the contractor.

Place(s) of Delivery: The place of delivery may be any U. S. Coast Guard location as indicated on the Orders as issued.

REQUIRED DELIVERY SCHEDULE

ITEM	% COMPLETE	WITHIN CALENDAR DAYS AFTER THE DATE OF RECEIPT OF NOTICE OF AWARD
All Orders	20%	30
All Orders	40%	60
All Orders	60%	90
All Orders	80%	120
All Orders	100%	150

NOTE: For All Delivery Orders – In the event the total quantity of a delivery order is 200 concrete sinkers or less, 50% of the order shall be delivered within 30 days, and the remaining 50% of the order shall be delivered within 60 days.

Notice Regarding Late Delivery. The Contractor shall notify the Government in writing as soon as it becomes apparent to the Contractor, that the scheduled delivery will be late. Such notification in no way limits any Government contractual rights or remedies including but not limited to termination.
