For every service, Vendor shall provide 110 regular meals, 3 vegetarian, and 2 no pork meals for a total of 115 meals

- 5. Final Soldier Count:** The number of meals requested in this SOW are tentative only. A final and official numbers of meals required will be given three weeks prior to the first meal. Unit reserves the right to reduce the headcount on all subsequent meals based off actual Soldiers present for duty on the 1st day of training. The selected vendor is only authorized to charge for the number of meals requested; not to exceed the contracted amount.

6. **Mealtimes:** Meals shall be delivered no later than 30 minutes before the following daily

Breakfast	06:30 to 07:30
Dinner	17:30 to 18:30

7. **Food Temperature:** Food shall be delivered and held on site in equipment designed to maintain temperature (warmer, cooler or temperature monitored serving line). All food items shall be delivered for service from shallow pans (4 inch). In accordance with FDA Food Code, hot foods shall be received at 135 degrees Fahrenheit. Cold food shall be received at 41 degrees Fahrenheit. All boxed meals shall be maintained at the proper holding temperatures until the meals are delivered.

8. **Meal Delivery:** Meals shall be delivered on site at the proper temperature and shall be transported to the facility in clean delivery van or similar vehicle. Food shall not be transported in a vehicle trunk space. The Contractor shall prepare all meals before arriving at delivery location. All food items brought into the facility shall remain at the facility. The Contractor shall not remove food products procured and paid for by the government.

9. **Food Items:** The Contractor shall provide all paper plates, cups, flatware, napkins, condiments and any other necessary product to complement the meal being served.

10. **Quality Control:**

- a. All produce and produce items shall meet all Federal, State and Local industry standards, regulations, grading and guidelines governing growth, manufacturing, storage, packaging, distribution, and transportation. Produce shall be free from decay, rotting and/or deterioration such as to make it unfit for consumption.
- b. All meat, poultry, fish and seafood items shall meet all USDA, Federal, State and local industry standards, regulations, grading and guidelines governing growth, manufacturing, storage, packaging, distribution and transportation.

11. **Food Safety and Sanitation:** All food handlers, preparers and/or servers, shall have a current Food Safety and Sanitation certificate issued by an accredited program. The program shall be recognized by the American National Standards Institute (ANSI)-CFP. Certificates shall be submitted with bid. In addition, the vendor shall provide the address of the location where the food is being prepared.

12. **Minimum Sanitation Requirements.** The TB MED 530 is the governing regulation for all sanitation practices for military Food Service Operations. A copy of this regulation is labeled Appendix A.

- a. Gloves shall be always worn by all personnel while serving or handling food. Wearing gloves also applies when handling food that will be consumed without cooking, such as consumable fruit.
- b. Hats or hair restraints shall be always worn by all personnel while working in the food preparation area.
- c. All personnel shall wash their hands regularly while working in the food preparation area.
- d. All personnel who handle or serve food shall not be used to clean latrines, garbage cans, sewers, drains, grease traps or perform similar custodial duties during periods of food preparation and service.
- e. With the exception of plain wedding bands, all food service personnel shall not wear jewelry, wristwatches, bracelets, or facial body piercing objects while preparing and/or serving food.

f. No use of tobacco products in any form shall be allowed except during break periods in designated areas outside of the building.

- 13. Name Tags:** Employees shall wear identification badges with a minimum of the Contractor's name and the employee's last name. Name tags are worn 100% of the time. Managers and supervisors' name tags shall include their job title.

14. Security: The following Anti-Terrorism (AT) and Operational Security (OPSEC) measures are standard:

- a. Access and general protection/security policy and procedures. This standard language is for contractor employees with an area of performance within the installation, facility, or area. Contractor and all associated sub-contractors' employees shall provide all information required for background checks to meet installation access requirements to be accomplished by installation Provost Marshal Office. Contractor workforce shall comply with all personal identity verification requirements as directed by DOD, DA, NGB and/or local policy. In addition to the changes otherwise authorized by the changes clause of this contract, should the Force Protection Condition (FPCON) at any individual facility or installation change, the Government may require changes in contractor security matters or processes.
- b. OPSEC requirements. Contractors shall comply with DOD Directive 5206.02 and any applicable service regulation and Army Regulation 530-1. The Contractor shall implement OPSEC measures as ordered by the CDR. The CDR/COR shall supply the Contractor with the required OPSEC training for their work location. Additionally contract employees shall receive appropriate OPSEC training for their worksite.
- c. AT Requirements. Contractor and all associated sub-contracts employees shall successfully complete Army presented Level One Anti-Terrorism training within 5 days of the beginning of this contract.
- d. Optional AT/OPSEC Training. As part of the request for proposal, issuance of the contract or any subcontract being issued that AT/OPSEC trifold will be provided and reviewed by each employee prior to arrival at the site of work.

15. Access to Buildings: Contractor employees shall be accompanied by an authorized ILMD/ILNG employee at all times while in the building.

- a. During FPCON Charlie and Delta, services are discontinued and will resume when FPCON level is reduced to level Bravo or lower.
- b. FPCON language for certain contracts, SOW specific: This contract and its employees are considered mission essential. Therefore, all contractor employees are required to report for duty and remain on duty during declared emergencies and/or elevated FPCON level unless otherwise directed by the contracting officer via the appropriate COR.

16. Menu Standards: Unless otherwise specified in the attached menus:

- a. All Lunch/Dinner meals shall consist of the following items and **minimum** serving portions: Meat entrée (6-8 oz.), two vegetables (4 oz. ea.), tossed salad (4 oz.), 1 bread, fresh fruit or dessert per Soldier, and beverage (12-16 oz.). Casserole type entrees such as chicken pot pie, lasagna, or other casserole dish are forbidden.
- b. All Breakfast meals shall consist of the following items and **minimum** serving portions 2 eggs, meat (4-5 oz.), hot cereal (4 oz.), two pieces of toast or one biscuit, seasonal fresh fruit, low-fat milk (white and choc) (5 oz.), coffee and fruit juice. (Milk shall be provided for 50% of headcount and juice for 50%, coffee shall be provided for 100% of headcount)
- c. An example menu is attached and labeled Appendix B.

17. Menu Notes:

- a. No less than two vegetables shall be provided to each guest at lunch and dinner meals. However, a choice of two vegetables from a selection of three or four vegetables is preferred.
- b. Tossed salad and salad condiments shall consist of a minimum of lettuce, tomatoes, carrots, bacon bits, shredded cheese, croutons/ crackers and no less than three choices of salad dressings. A choice of a low-fat dressing along with regular dressings shall be available to patrons throughout the meal.
- c. Milk shall be served in half pint.

- d. For all meals, vendor shall provide 3 vegetarian substitution options to accommodate service members who do not eat meat. Vendor shall also provide an additional 2 substitution options that do not contain pork for meals in which it is being served.

Entree	The vendor shall provide the entrée listed. There will be no deviations allowed.
Starch	The vendor shall provide the starch outlined in the menu. Deviation #1
Vegetable	The vendor shall provide a vegetable as outlined in the menu. Deviation #2
Salad	The vendor shall provide a salad as outlined in the menu. There will be no deviations allowed.
Bread	The vendor shall provide bread items as outlined in the menu. Deviation #2 Note- (Garlic Bread cannot be substituted with another type of bread)
Dessert	The vendor shall provide desert items as outlined in the menu. Deviation #2
Beverage	The vendor shall provide the beverages listed. There will be no deviations allowed.

18. DEVIATIONS:

The food items listed above shall be proposed by the vendor in accordance with the attached menu. In order to rate each vendor fairly the Government has determined that insignificant deviations may be made to the menu. The vendor shall provide a variety of the deviated items each day. No item may remain the same for two meals or two days in a row. The following deviations will be accepted:

DEVIATION #1 STYLE OF MENU ITEM SERVED- The vendor may propose an item to be served in a different style than indicated in the menu.

Example: Menu requests “baked potato”, vendor may propose to serve mashed potatoes, scalloped potatoes, French fries, or other potato dish. Vendor may not propose items such as (but not limited to) pasta or rice in replacement of potatoes.

DEVIATION #2 TYPE OF MENU ITEMS SERVED- The vendor may choose the type of item requested.

Example 1: Menu states “chocolate cake”, vendor may propose peanut butter cake, carrot cake, vanilla cake, strawberry cake, etc. Vendor may not propose items such as (but not limited to) cookies, fruit, Jello, cinnamon rolls in replacement of cake.

Example 2: Menu states “green beans”, vendor may propose a vegetable such as corn, peas, Lima beans etc. Vendor may not propose items such as (but not limited to) fruit or starch in replacement of vegetable.

It is the vendor's responsibility to provide a description of the deviations for each meal with the price quotation. The deviations noted by the awardee shall be inserted into the purchase order. After award, no other changes, substitutions, or deviations may be made.

Government Equipment to include (but not limited to) stoves, refrigerators and water may not be used by the caterer to facilitate the services that they provide.
