

# HAMPTON PEDESTRIAN CROSSING

## PROJECT BINDER

The purpose of this proposal is to provide visual expectations through the form of site evaluation photos and locations to potential bidders. Basis of Design may be used, but are provided for layout and aesthetic purposes only and does not indicate a preferred manufacturer by the VA. Please reference minimum sign requirements for salient characteristics.

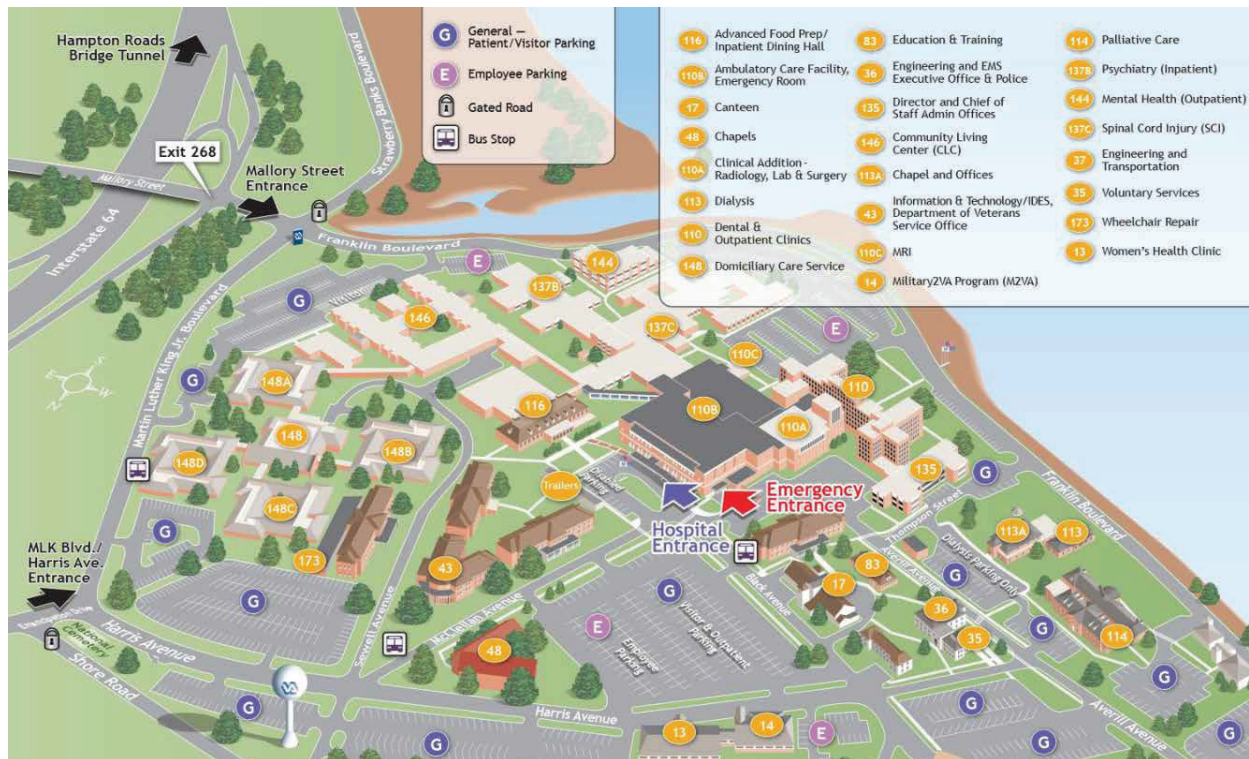

# PROJECT OVERVIEW

Project Need: Hampton VA Medical Center is in need of pedestrian crosswalk signage at designated locations.

Project Address: 100 Emancipation Drive, Hampton VA 23667

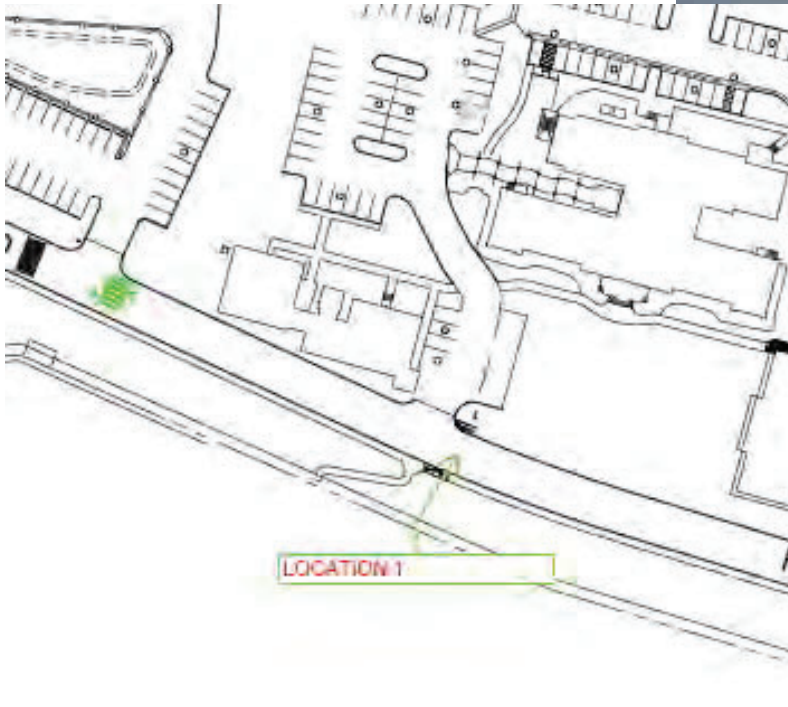

Applicable References: PG 18-10 Signage Programming & Wayfinding, Virginia Manual on Uniform Traffic Control Devices, Virginia State Corporation Commission

# LOCATION #1

South of Bldg 113

2 posts, 2 W11-2, 2 W16-7PR(L) two sign removal

# LOCATION #2

South of Bldg Historic Hall

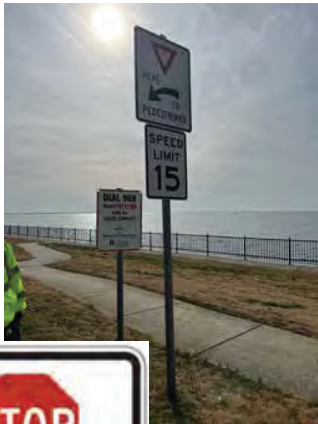

Will need to replace this signage to a stop here sign per VA MUTCD.

(2) R1-5c

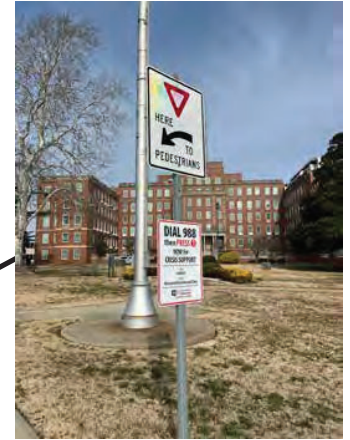

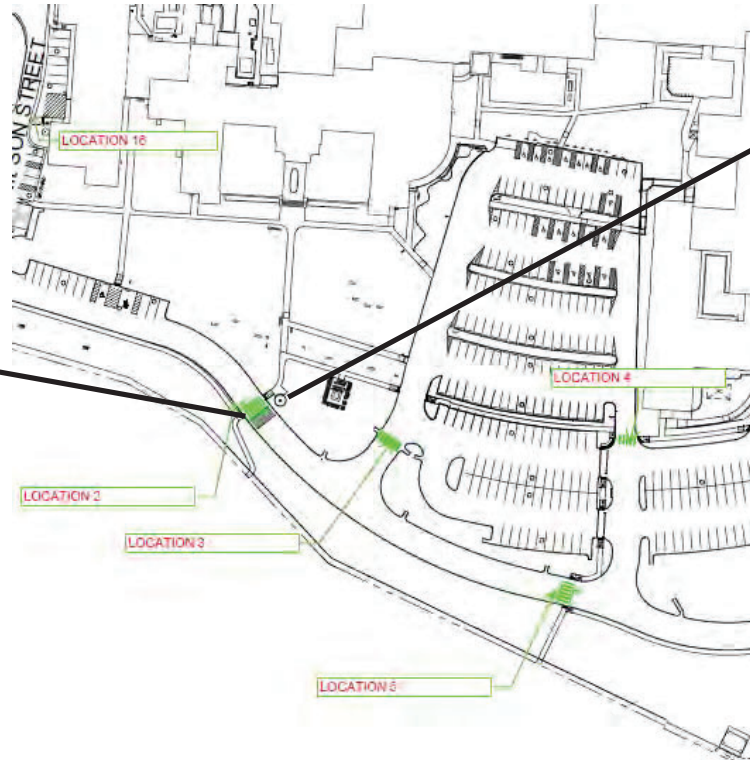

(2) W11-2

4 posts to match existing standards

2 W16-7PR(L)

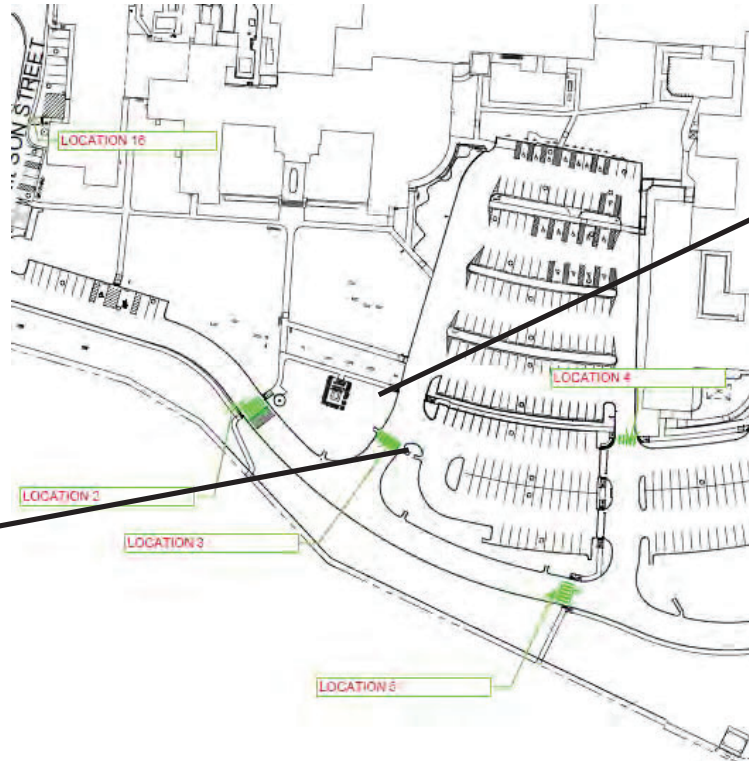

R1-5c

# LOCATION #3

East of Historic Hall, in parking lot

2 posts, 2 W11-2, 2 W16-7PR(L) one sign removal

Sign removal, replace with new post and stop sign

# LOCATION #4

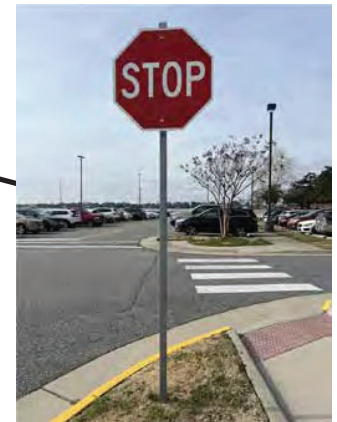

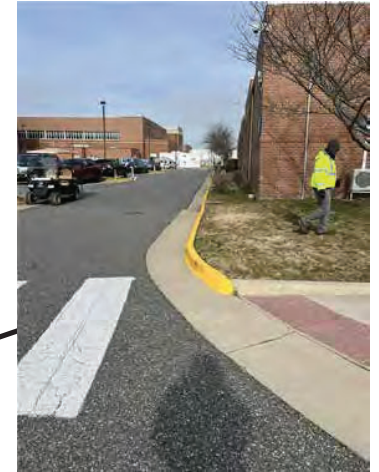

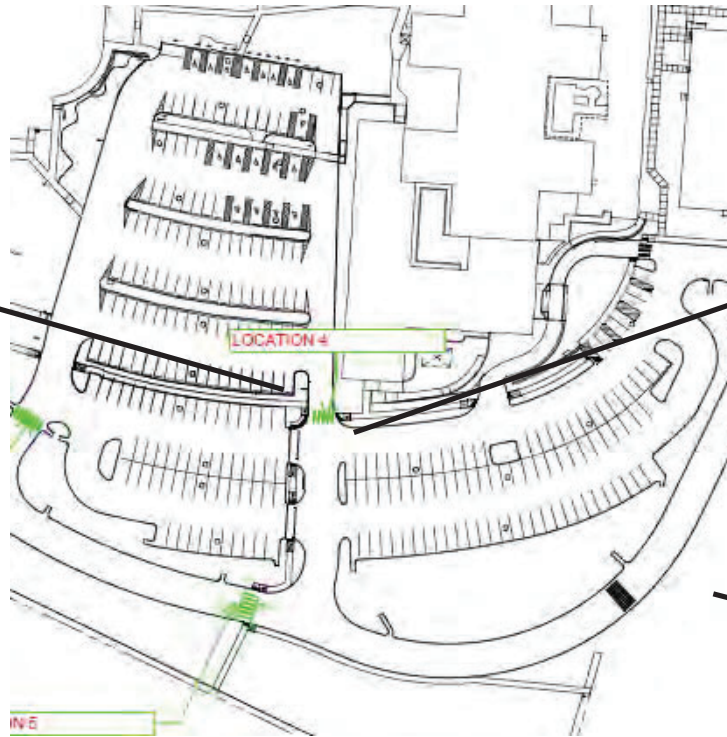

West of SCI Main Entrance

2 posts, 2 W11-2, 2 W16-7PR(L) one sign removal

Sign removal, replace with new post and stop sign

\*\*Risk of electrical lines being ran through this area.

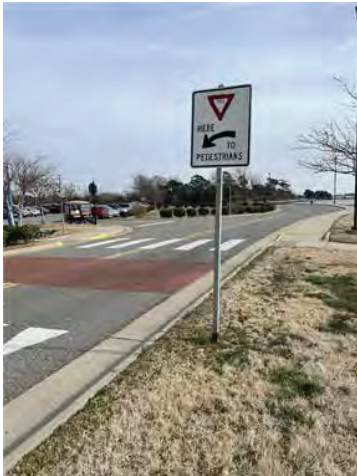

# LOCATION #5

Southwest of SCI Main Entrance

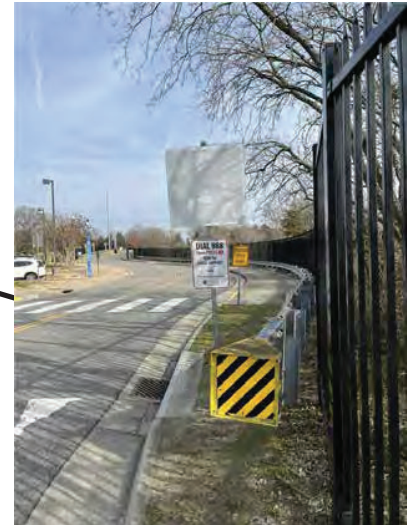

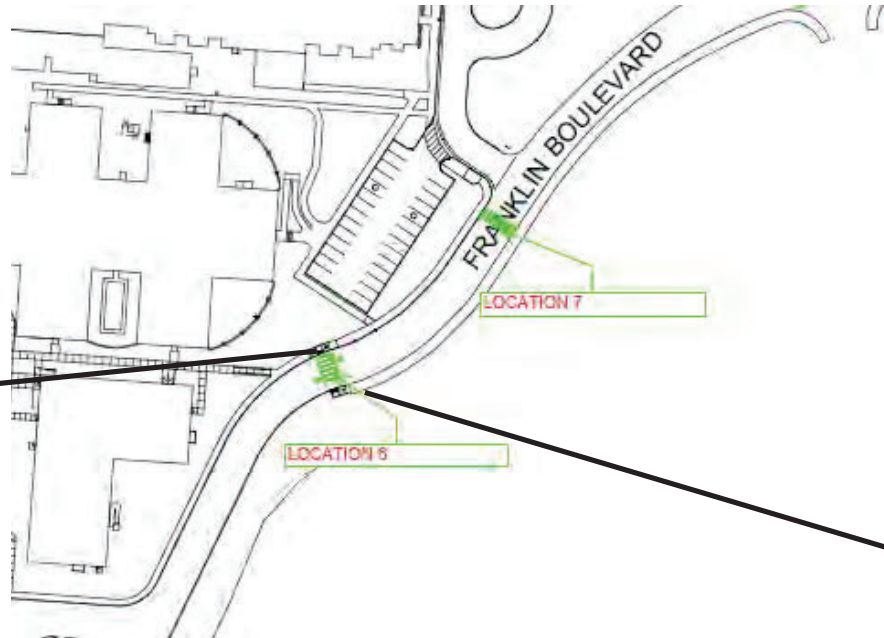

4 posts, 2 W11-2, 2 W16-7PR(L), (2) R1-5c

# LOCATION #6

Southeast of 2N Courtyard

4 posts, 2 W11-2, 2 W16-7PR(L), (2) R1-5c

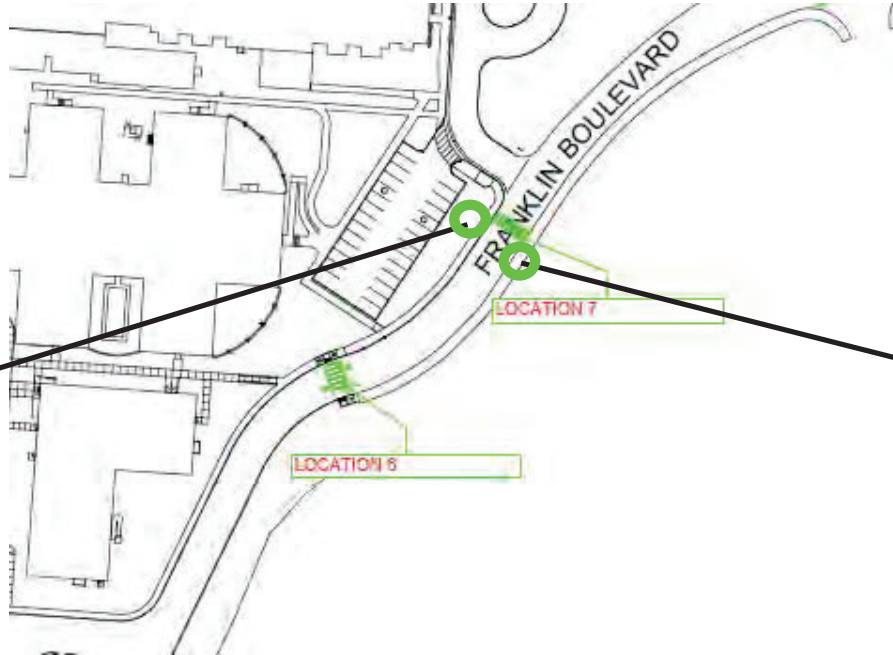

# LOCATION #7

Southeast of 2N Courtyard

2 posts, 2 W11-2, 2 W16-7PR(L)  
one sign removal

Remove this sign due to its redundancy. All crosswalks should be ADA-compliant.

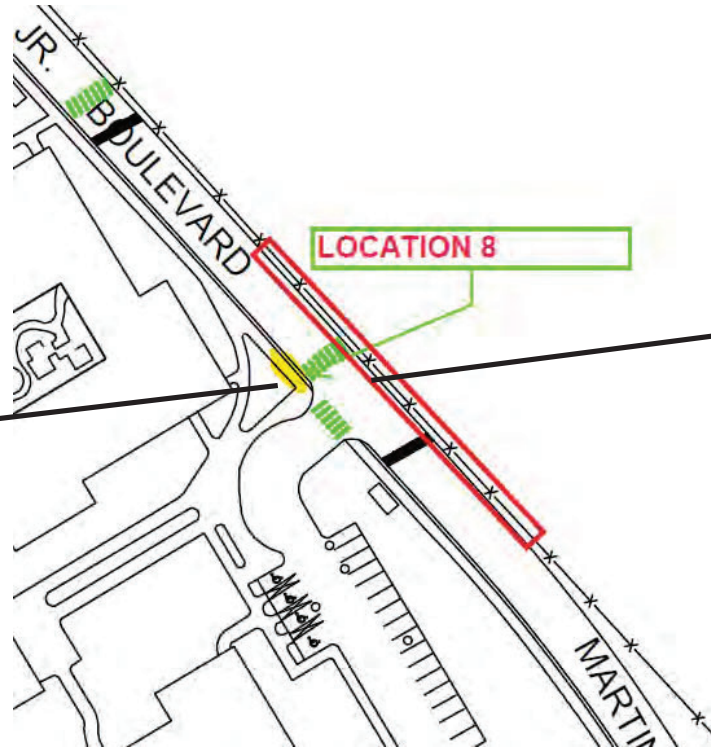

This will need to be mounted into the concrete with a breakaway post

# LOCATION #8

Southeast of 2N Courtyard

1 post, 1 W11-2, 1 W16-7PR(L)

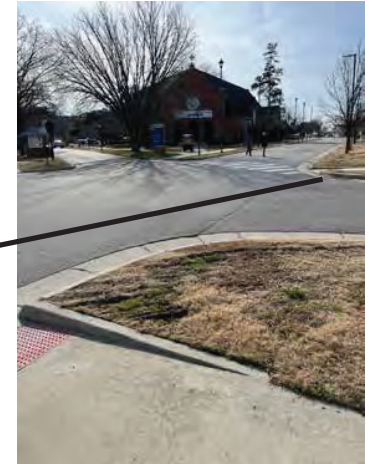

Anything on this side of the street is Hampton University property and not VHA's purview.

# LOCATION #9

2 posts, 2 W11-2, W16-7PR(L)

Due to the close proximity of the crosswalks, would one on either side work for both crosswalks?

# LOCATION #10

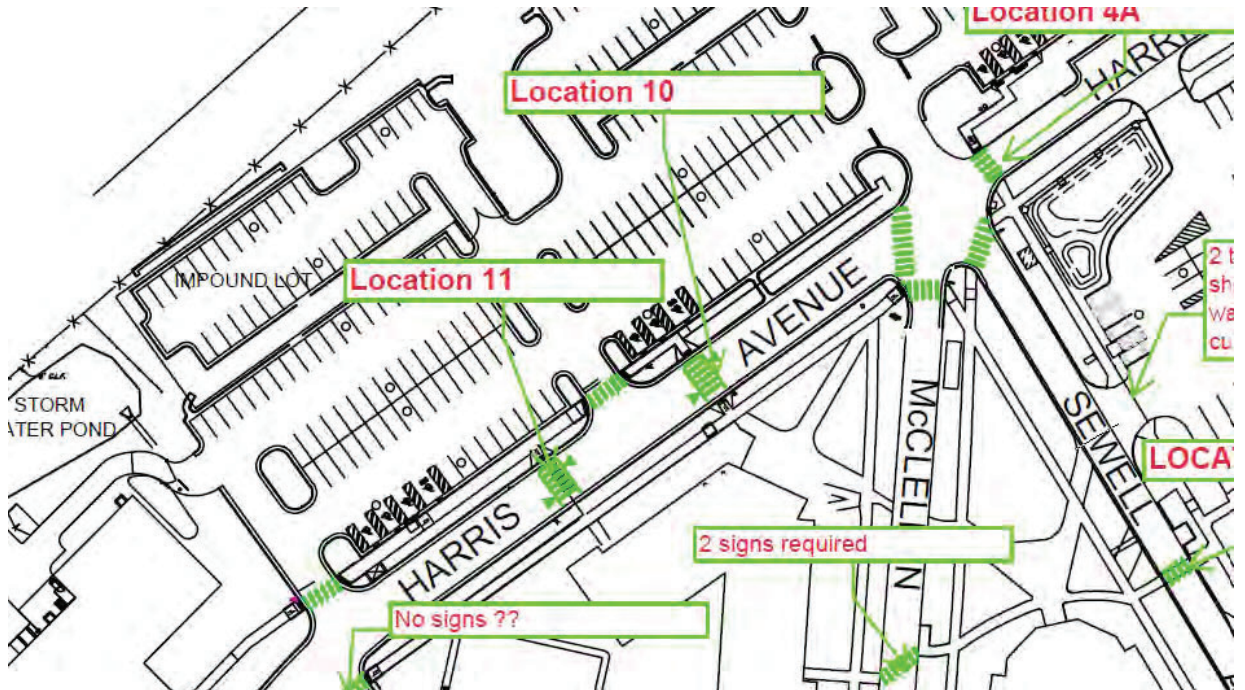

2 post & 2 W11-2, 2 W16-7PR

# LOCATION #11

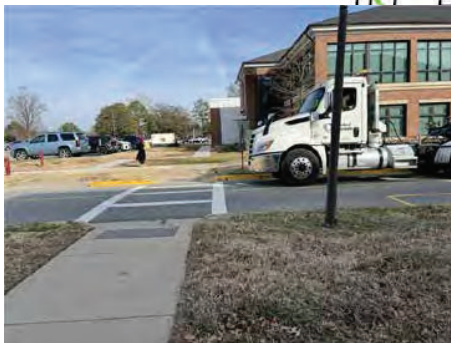

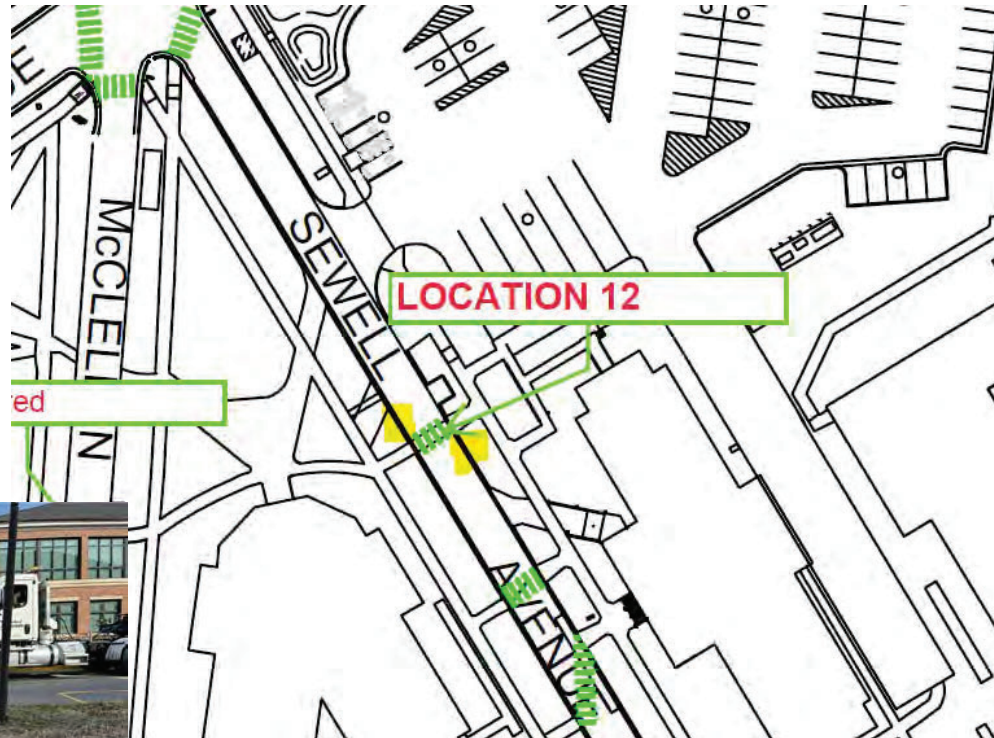

2 post & 2 W11-2, 2 W16-7PR

# LOCATION #12

North of Bldg 43

2 posts, 2 W11-2, W16-7PR(L)

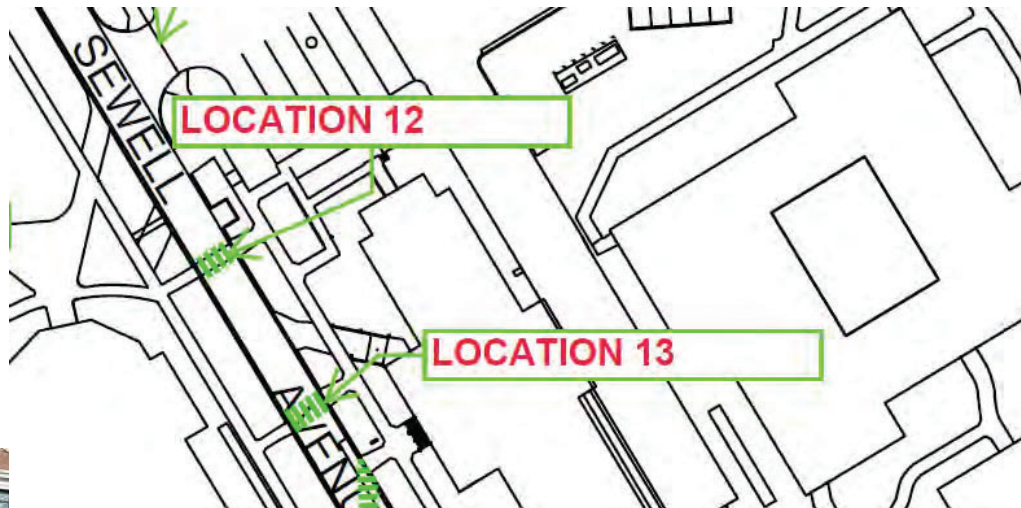

# LOCATION #13

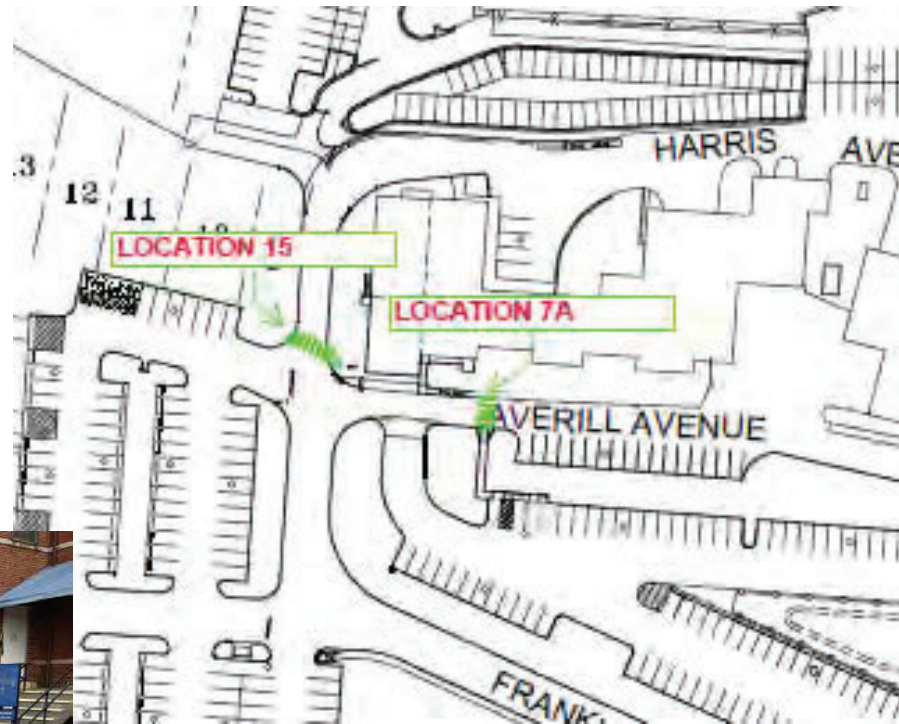

In front of Bldg 44
