

Market Research Questionnaire

1. Is your firm capable of providing natural gas utility services, either as a prime contractor or as a subcontractor?
2. What is your business size, small or large? The North American Industrial Classification System (NAICS) code for this service is 221210 and small business size standard is 1,000 employees.
3. If you are not a small business, what level of subcontracting, if any, would be available for the service(s) you are interested in providing? _____%
4. Is your firm eligible for participation in one of the following small business programs? If so, please indicate the program.

_____ "8(a)" program
_____ Women-owned small business concern
_____ Veteran-owned small business concern
_____ Service-disabled veteran-owned small business concern

5. Can your firm provide firm-fixed unit prices for future contract periods (example: contract with ten years of performance periods)? If not, how many years can you provide firm-fixed unit prices? (Please indicate how many years you can provide firm-fixed unit prices)
6. How many calendar days does your firm need to prepare an offer resulting from this solicitation?
7. Are the services provided by your firm regulated by the Public Utility Commission? If not, please provide an explanation of how rate structures are determined and name of the authority making the determination?
8. Please furnish the following information in reference to your firm:

Name: _____
Email Address: _____
Point of Contact: _____
Telephone Number: _____
UEI: _____

NOTE: Any solicitation resulting from this questionnaire may be distributed solely through the System for Award Management (SAM) website at www.sam.gov. The website provides downloading instructions to obtain all documents relating to the solicitation. Interested parties are responsible for monitoring the website to ensure they have the most up-to-date information about any potential acquisition.
