

23. Question: Is the 6.1 for the total contract the mount the contract will be for the entire 6 years? So, 1.2 per year ?

Answer: The \$6.1 million represents the maximum total amount that may be spent on all orders issued under this contract. As this will be an IDIQ contract, order quantities may fluctuate based on the needs of the agency. Consequently, annual expenditures may vary in accordance with those needs. This contract will be 1 base period plus 3 option periods.
