

JUSTIFICATION FOR SOLE SOURCE (\$15,000 TO \$350,000)

Reference: FAR 13.106-1(b)

The service or material listed on S73067A1057 is the sole source and competition must be restricted to one source, or only one brand name for reasons indicated below. There are no substitutes available for this material.

Restricted to the following source or brand name. Provide the original manufacturer's name.

Note: If a sole source manufacturer distributes via dealers, also provide dealer information.

Manufacturer Keysight

Manufacturer POC Name Ramona Wohlwend, Samantha Grazier

Phone Number 1-800-829-4444

Manufacturer Address 1900 Garden of the Gods Road, Colorado Springs, CO 80907-3423

Manufacturer's Dealer/Rep. Ramona Wohlwend, Samantha Grazier

Phone Number 1-800-829-4444

Dealer/Rep.'s Address 1900 Garden of the Gods Road, Colorado Springs, CO 80907-3423

1) Description of the item or service required

Calibration kit, 4-in-1, open, short, load and through, DC to 40GHz, 2.92 mm(f), 50 ohm

2) Estimated cost

3) Required delivery date

Specific characteristics of the material or service that limit the availability to a sole source or particular brand name (unique features, function, of the item, etc.). Describe in detail **why** only this suggested source can furnish the requirements to the exclusion or other sources:

These calibration kits are used in conjunction with our FieldFoxes in order to perform SSBN troubleshooting and testing. We currently do not have enough to offset calibration dates.

☒ ☐ The requested material or service represents the minimum requirements of the government.
Yes No

Check & Fill in all Applicable Blanks Below

☒ ☐ The material/service must be compatible in all aspects (form, fit, and function) with the existing systems presently installed. Describe the equipment you have **now** and **how** the new item/service must coordinate, connect, or interfere with the existing system:
Yes No

☐ ☒ A patent, copyright, or proprietary data limits competition. The proprietary data is:
Yes No

☐ ☒ These are "direct replacements" parts/components for existing brand name equipment.
Yes No

☒ ☐ Other information to support a sole-source buy:
Yes No The current calibration kits are specifically tuned to the frequencies of calibration needed to perform SSBN troubleshooting and testing. These calibration kits are the same brand and are known to be reliable and accurate.

I certify that statements checked, and information provided about, are complete and correct to the best of my knowledge and do not contain classified information. I understand the processing of this sole-source justification precludes the use of full and open competition.
