

## **ATTACHMENT J.P-3 FPDS-NG SAMPLE**

Please refer to section L.5.2 Relevant Experience of the Polaris RFP for further information.

The FPDS report referenced in section L.5.2 can be accessed by completing the following steps:

1. Visit <https://www.fpds.gov/>.
2. In the ezSearch box at the top of the page, enter identifying information for the project such as contract number, task order number, contractor name, Unique Entity ID ("UEI") / Data Universal Number System ("DUNS") number.
3. Locate the correct contract action and click the "(View)" link.
4. The "(View)" page will include several categories of data, beginning with "Transaction Information" and ending with "Preference Programs/Other Data." Samples of the correct types of FPDS reports are provided on pages 3-7 of this attachment.
5. Your FPDS report can verify relevant experience in accordance with the instructions provided in L.5.2. Specific data fields in your report may vary from the samples. The table on page 2 of this attachment provides a crosswalk of the data fields in FPDS that can provide verification of the claimed scoring elements.
6. If an FPDS Report for the project is not available, or if information within the report does not provide appropriate verification for all claimed scoring elements, then verification may be provided by including the verification documents identified in section L.5.2.2.1.1(2).

The following table provides a crosswalk from elements within the PSP to data fields within FPDS that can provide verification of the claimed scoring elements.

| <b>Project Identification Element within PSP</b>                              | <b>FPDS Data Field</b>                                                                                                                                                                                                                                                                                                  |
|-------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
