

PN 88726 MCA3 Signal School, Fort Eisenhower, GA

Solicitation No. W912HN25B4004

Synopsis of Pre-Bid Site Visit held 17 Apr 2024

Introductions were made by Jose Diaz and Brett Wiliford (USACE).

Project Synopsis

The Cyber Center of Excellence Signal School is a four (4) story, 243,443 GSF structure. It is an automation-aided, instructional facility that is comprised of classrooms, instructional labs, instructor workspace, conference rooms, student and staff break areas, and student records storage. The focus is to train and educate students in signal and cyberspace operations, and electronic warfare. The building also includes administrative spaces, which consists of workstations, private offices, shared use spaces, all in support of the Cyber Center of Excellence (CCoE) mission. Supporting facilities include site development, utilities and connections lighting, storm drainage and landscaping.

- This is an Invitation for Bid. Full and Open competition.
- Fixed Firm Price contract.
- The period of performance is 1,324 calendar days after NTP.
- Bid Schedule includes 11 contract line items.
- The bid acceptance period is 120 calendar days.
- Base Bid: Includes CLINs 0001-0005 which include four pre-priced CLINs for privatized utility work. Contractors are advised that they are responsible to subcontract with privatized utility companies and coordinate all work.
- Option: There are six (6) bid options. CLINs 0006-0011. Please note that CLIN 0006 is a pre-priced option for installation of the irrigation system by the Augusta Utilities Department. All the options are defined in Section 01 03 00.

There was a brief discussion on the previous solicitation that was cancelled on 14 February 2025. All attendees were informed that all bidder inquiries from the previous solicitation that was cancelled have been acknowledged and incorporated into the current bid set. A brief discussion of the project location was provided.

All participants were reminded to please sign the attendance sheet.

All participants were reminded that and that bids are due **01 May 2025@ 11:00 AM.**
