Paragraph (e) entitled "Multiple Offers" is tailored to read: "The Government will not consider multiple quotes presenting alternate terms and conditions for satisfying the requirements of this solicitation."

Paragraph (h) entitled "Multiple awards" is tailored to read: "The Government intends to award one contract as a result of this RFQ. Unless otherwise provided in the Schedule, quotes may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity quoted, at the unit prices quoted, unless the Quoter specifies otherwise in their quote.

(b) Quotation Preparation Instructions

(1) The due date for quotes is 24 April 2026, 0600 Central Time (CT).

The maximum page limit for each part includes all text pages, tables, graphs, and other types of illustrative material. Table of contents do not count against the page limits for the respective parts. Each page size shall be no larger than 8.5" x 11" and single sided. Excess pages exceeding the maximum limits will not be read or considered in the evaluation. The 12-point font requirement is waived if the document automatically converts to an 11.98-point font in PDF format.

(3) Quotes shall be submitted via email to the individuals listed in paragraph (b)(4) by the due date specified above. Quote submissions shall not exceed 20mb per email. The Government will make all reasonable attempts to promptly confirm quote receipt and accessibility. If the Quoter fails to obtain confirmation of receipt and accessibility within two business days of quote submission, the Quoter should assume the Government did not receive the quote and contact the Contracting Officer and Contract Specialist.
