MEMORANDUM FOR RECORD

SUBJECT: STATEMENT OF WORK

REFERENCES: DDNV – Box Trailer Roof Replacement; Asset 20214646

1. Name of site where work is to be performed:

At the Awardee's Location – Service must be completed within a 20 mile radius of DDNV.

2. Project History and Justification

DDNV is requesting the roof replacement of a DLA DDNV owned and operated box trailer; Asset 2021626. A large section of it has been damaged and the repair work is outside the scope of the internal DDNV MHE Repair Teams' capabilities. Trailer availability for the DDNV Transportation Department is limited due to overabundance of storage and deliveries occurring for DDNV's customer base within the AOR. Therefore, it is essential to have this trailer's roof replaced in an expedient manner to allow the DDNV Transportation Dept. to meet customer requirements without interruption.

3. Scope of work to be accomplished/Justification/End results to be achieved

Contractor shall provide all necessary materials to remove the old roofing material from the box trailer. Afterward, the contractor will provide all necessary material and fastening mechanisms to install new roof material onto the box trailer.

IMPACT: The DDNV Transportation Dept. uses flat bed and box trailers to fulfill mission requirements for DDNV's customers within its AOR. There is a limited quantity of available trailers for use when the need arises. Therefore, having every available trailer type is essential to meet the customer's requirements on a on-call bases.
