

Request for Information (RFI)

May 8, 2026

RFI for Immigration and Customs Enforcement (ICE), Homeland Security Investigations (HSI), Visa Security Program Tracking System (VSPTS) Operations and Maintenance (O&M) Support Services.

* Required

REQUEST FOR INFORMATION

This is a request for Information (RFI) for Immigration and Customs Enforcement (ICE), Homeland Security Investigations (HSI), Visa Security Program Tracking System (VSPTS).

THIS IS A REQUEST FOR INFORMATION (RFI) ONLY. This is not a solicitation announcement. This RFI is solely for market research and planning and information purposes and is not to be construed as a commitment by the Government to issue a subsequent solicitation (Broad Agency Announcement, Request for Proposal, etc.). This RFI does not commit the Government to contract for any supply or service. ICE is not seeking proposals at this time. Responders are advised that the U.S. Government will not pay any costs incurred in response to this RFI. All costs associated with responding to this RFI will be solely at the interested party's expense. Not responding to this RFI does not preclude participation in any future solicitation. The information provided in this RFI is subject to change and is not binding on the Government. All submissions become the property of the Government and will not be returned.

If you submit proprietary information, you must clearly mark "PROPRIETARY" on every sheet containing such information and segregate the proprietary information to the maximum extent practical from other portions of your response (e.g., use an attachment or exhibit). Respondents are responsible for adequately marking proprietary information in their response. All information received in response to this RFI that is marked "Proprietary" will be handled accordingly.

RFI Purpose: This RFI/Sources Sought is seeking information to aid in refining the acquisition strategy, determining if a set aside will be used, contract vehicle selection, and seeking comments and information on the Draft Performance Work Statement (PWS), Attachment A.

Please see attached draft Performance Work Statement (PWS). Response Due Date: May 15, 2025 @ 10:00 AM, Eastern Time. A PDF copy of the MS Forms questionnaire has been provided to give respondents an opportunity to view all questions. DO NOT SUBMIT A COMPLETED PDF. Only responses in MS Forms will be accepted.

QUESTIONS: A question and answer period is not part of this RFI. All questions regarding this requirement should be included directly in your form response. However, any questions related to the RFI form functionality or extensions may be sent directly via email to the Contracting Officer, Pamela.A.Rodgers@ice.dhs.gov and the Contract Specialist, Joseph.D.Thibault@ice.dhs.gov.

ADDITIONAL INFORMATION: Incumbent VSPTS Contract Information:

Contract Number: 70CTD021FR0000040

POP: currently through 09/25/2026

Request for Information

Company Overview

Vendors are invited to provide the following contact information:

1. Name and address of Entity/Company (Corporate/Principal Office, including doing business as (DBA) name) *

2. Provide your Contact Information *

Primary point of contact information (name, title, telephone number and email address)

3. Provide your Unique Entity Identifier (UEI) *

4. The Government is considering North American Industry Classification System (NAICS) 541519.
Please check one of the following business sizes: *

☐ Small

☐ Other than Small

5. If you believe another NAICS Code or PSC is more appropriate, please provide the recommended and approved code(s) and any applicable contract number related to this effort you have successfully performed. *

6. If the response to number #4 is "Small", identify any additional socio-economic status:

- ☐ Woman Owned Small Business
- ☐ Veteran Owned
- ☐ Service-Disabled Veteran Owned
- ☐ 8 (a)
- ☐ HubZone
- ☐ Other

7. Identify any GWAC or MAS vehicles your company holds that would be appropriate for the tasks identified in the performance work statement/tasks. Be sure to include contract number, applicable NAICS, applicable PSC, and contract expiration. Examples of said vehicles include, but are not limited to the following: *

- ☐ GSA MAS
- ☐ 8(a) STARS III GWAC
- ☐ VETS 2 GWAC
- ☐ Alliant 2
- ☐ Other

8. Section 3 - General Questions Responses to the below questions should be based on the requirements specified in the draft PWS, See Attachment A.

For planning purposes, please provide a rough level of effort (LOE) and typical team composition (labor categories, FTEs, duration) required to meet the draft PWS requirements. *

9. Does the draft PWS include enough information for an FFP contract type; if not, what additional information is required? *

10. Based on past experience(s), what evaluation factors would you recommend? *

11. Identify any parts of the draft PWS that require clarification. *

12. Provide any additional information or questions that the Government should be aware of when drafting the solicitation. Your questions may not be answered directly but incorporated into the Government's strategy.

13. Section 4 – Similar Past Experience(s) Provide a minimum of one and up to three recent (within the last 3 years) past experience(s) that are similar to the requirements specified in the draft PWS. Past experience(s) should demonstrate experience with a U.S. Government customer. Please specify if you were a prime or subcontractor.

Similar Past Experience 1

Describe a contract/project past experience that is similar to the draft PWS. If the past experience was part of a teaming arrangement or sub-contract plan, please specify the portion of the scope for which you were responsible.

Answer the questions below:

Provide the following Contract Information for this past experience reference: Contract Title/Contract #/Sub-Contract # (if applicable)/Awarded Value/Awarding Agency or Entity/Period of Performance/NAICS/Prime or Sub-Contractor:

14. Describe the scope of work performed and how it relates to the draft PWS. *

15. Identify the labor categories and skills and experiences that were used to meet the scope. *

16. Does the experience include the use of Agile/Scrum methodologies? If yes, explain your approach to sprint planning. *

17. Does the experience include the management of the System Development Lifecycle (SDLC)? If yes, provide a brief description. *

18. Does your experience include all the following technologies?

Java Enterprise Edition (Java EE)/PostgreSQL RDBMS/JBoss/WildFly/Artemis Active
MQ/Ansible/TerraformAI/Machine Learning (AI/ML)

*

19. Does the experience include the preparation of training materials such as user and system administration guides? If yes, provide a brief description. *

20. Does the experience include Tier 2 and Tier 3 support with adherence to a service level agreement (SLA)? If yes, provide a brief description. *

21. What were the performance standards and metrics used to measure your company's performance? What changes would you recommend to the performance measures and how would the new performance measures be more meaningful?

*

22. **Similar Experience 2**

If a second similar past experience is available, answer the same questions listed above for the past experience.

23. **Similar Experience 3**

If a third similar past experience is available, answer the same questions listed above for the past experience.
