Any other additional information required by 5.101(c):

Proposal Submission Requirements

There is no page limit for the proposal. All documents must be submitted in Microsoft Word, Microsoft Excel or Adobe PDF compatible formats. Text shall be single-spaced, on 8½” x 11” paper (except as specifically noted), with margins not-less-than one inch. Pages shall be numbered consecutively. Contractors may use 11” x 17” sized fold-out pages for tables, charts, graphs, or pictures that cannot be legibly presented on 8½” x 11” paper. Each 11” x 17” page applies as two pages to the overall page count. Print must be of a minimum 11-point font size.

Bi2 shall submit a proposal which contains the following documents:

1. **Cover Letter** – The contractor shall prepare a cover letter which includes the following information:
 - RFP Number & Title
 - Name and address of Contractor
 - Name, telephone number & e-mail address of main point-of-contact
 - Name of your contract administration office
 - Date of submission
 - Name, title and signature of authorized representative
 - Company Unique Identifier Number and CAGE Code
 - The validity period of the proposal (at least through 05/20/2026)
 - All assumptions (if any)
 - a. All assumptions (especially technical and pricing) to the RFP must be identified in this cover letter. Assumptions identified in other areas of the RFP will not be considered.
2. **Performance Work Statement (PWS)** - The contractor shall prepare a PWS to address how the company will address all aspects of the requirement identified in Attachment B: Statement of Objectives. The PWS shall include the following sections: Background, Scope, Performance Requirements, Performance Standards, Deliverables and Delivery Schedule, Government Furnished Equipment, Place of Performance and Period of Performance.
 - **PWS Addendum** - The contractor shall incorporate Attachment C: PWS Addendum into the PWS with no changes. (The addendum contains Government-required language that must be included in the resulting PWS and contract.)
3. **Terms and Conditions** – The contractor shall complete the fill-ins for all provisions referenced in this attachment.
4. **Draft Security Plan** – The contractor shall provide a draft security plan in response to *Attachment E: Requirements Traceability Matrix (RTM)* which explains how they will protect ICE data and work towards FedRAMP certification.

Combined Synopsis/Solicitation

5. End User License Agreement (EULA) – The contractor shall provide a copy of the EULA for the IRIS and MORIS licenses. The EULA shall be consistent with Federal procurement law as well as Federal, Department of Homeland Security (DHS) and ICE regulation, policy and guides and otherwise in the best interest of the Government. Licensing agreements shall be provided as .pdf attachments. No links or references will be considered. Any terms in the EULA that conflict with federal law are given no effect.

6. Pricing Summary and Narrative: The contractor shall complete *Attachment F: Pricing Template* to provide a pricing summary and a narrative detailing a breakdown of the pricing. The contractor shall also provide any supporting documentation (such as established catalog prices/market prices and sales to nongovernmental and governmental entities) to explain how the pricing is fair and reasonable. Acceptable forms of supporting documentation include contracts or receipts for showing pricing paid by other customers. Supporting pricing data must include appropriate dates on the prices at which the same or similar items have been sold previously to ensure they are adequate for evaluating the reasonableness.

Evaluation Process

ICE intends to evaluate BI2's proposal to ensure the following:

- The proposed PWS demonstrates the contractor's ability to successfully perform the requirements of this contract;
- The Draft Security Plan complies with RTM and explains how they will protect ICE data and work towards FedRAMP certification.
- The proposed price is accurate, complete and reasonable.

Basis for Award

The Government intends to award a single Firm Fixed Price (FFP) Contract (with a 12-month period of performance) to Bi2 provided the proposal is determined to be technically acceptable and the proposed price is determined to be fair and reasonable. No award will be made if the proposal is not acceptable or if the price is not fair and reasonable. Bi2 is strongly encouraged to submit its best technical and price proposal. ICE reserves the right to contact Bi2 to obtain additional information regarding the proposal. ICE reserves the right to negotiate any aspect of proposal (price or non-price factors) if it is determined to be in the best interest of the Government.
