

TECHNICAL EXHIBIT 1

Performance Requirements Summary

The contractor service requirements are summarized as performance objectives that relate directly to mission essential items. The performance threshold briefly describes the minimum acceptable levels of service required for each requirement. These thresholds are critical to mission success.

Task	PWS Paragraph	Standard/AQL	Method of Surveillance	First failure will result in the issuance of a Contractor Action Request Continuance for not meeting performance standard. Consecutive failures will result in a corrective action plan developed at the discretion of the KO.
