Subcontract Administrator: Lee Brown, Lee.Brown@nlr.gov		

SELECTION CRITERIA AMENDED

The purpose of this Amendment #1 is to remove in its entirety and replace A – RFP – Exhibit A – LPTA Selection Criteria document.

VENDOR QUESTIONS AND ANSWERS (RECEIVED TO DATE – 04/16/2026)

1. Does the minimum experience and past performance requirements apply strictly to the prime offeror, or can they be met through a subcontractor/teaming partner?

ANSWER – The successful offeror is expected to self-perform the work outlined in the Statement of Work document. Please see amended **A-RFP- Exhibit A – LPTA Selection Criteria** document.

2. Do the minimum experience and past performance requirements apply strictly to the prime offeror, or can they be met through a subcontractor/teaming partner?

ANSWER – The successful offeror is expected to self-perform the work outlined in the Statement of Work document. Please see amended **A-RFP- Exhibit A – LPTA Selection Criteria** document.

3. Is subcontracting permitted such that a subcontractor performs the majority of on-site field work, with the prime retaining full responsibility?

ANSWER – The successful offeror is expected to self-perform the work outlined in the Statement of Work document. Please see amended **A-RFP- Exhibit A – LPTA Selection Criteria** document.

4. At what stage is subcontractor approval required?

ANSWER – Subcontractor approval will occur after all proposals are received, appropriate documentation is provided, and a responsive offeror is selected based on the criteria outlined in the amended **A-RFP- Exhibit A – LPTA Selection Criteria** document.

5. Does having a committed subcontractor prior to proposal submission satisfy the requirement for established resources?

ANSWER – The successful offeror is expected to self-perform the work outlined in the Statement of Work document. Please see amended **A-RFP- Exhibit A – LPTA Selection Criteria** document.

6. Would an offeror be considered non-responsive if the majority of field work is performed by a subcontractor, even if the prime retains full responsibility and oversight?

ANSWER – Yes. Please see amended **A-RFP- Exhibit A – LPTA Selection Criteria** document.

7. Are there two locations that are part of the RFP?

ANSWER – There are three locations that are a part of the Request for Procurement, as outlined in the SAM post narrative documentation:

National Laboratory of the Rockies (NLR)

South Table Mountain Campus (STM)

15013 Denver West Parkway

Golden, CO 80401

National Laboratory of the Rockies (NLR)**Flatirons Campus (FC)****19001 W. 119th Ave****Arvada, CO 80007****National Laboratory of the Rockies (NLR)****South Table Mountain Energy Park (STEP)****15445 S. Golden Road****Golden, CO 80401**

8. Is this the first time this has gone out to bid or who was doing it before?

ANSWER – We are not disclosing previous vendor information.

9. With the June due date, is this contract going to run 12 months from July 2026-June 2027?

ANSWER – The period of performance is outlined in the ***A-RFP- Exhibit A – LPTA Selection Criteria*** document. The base period is expected to run from the date of award for one annual year with up to four annual option renewals, if exercised.

Attachments: RFP Package 2.0 – A – RFP – Exhibit A – LPTA Selection Criteria document is hereby removed and replaced in its entirety.
