4.0 BACKGROUND & DESCRIPTION OF GOVERNMENT'S REQUIREMENTS

4.1 The Air Force Judge Advocate Field Operating Agency (AF/JA FOA), commanded by a Major General, provides administrative support to the four Directorates for the Headquarters Air Force (HAF) Judge Advocate General (JAG) Corps. The four Directorates are the Military Justice and Discipline Directorate, Operational and International Law Directorate, Civil Law and Litigation Directorate, and Leadership Directorate. The four Directorates provide legal services to Air and Space Force leadership across the National Capital Region, 76 Geographically Separated Units, and 10 Major Commands. The AF/JA FOA Commander Support Staff (CSS) is functionally responsible for providing direct support to The Judge Advocate General (a Three Star), AF/JA FOA Commander, AF/JA Section Commander, AF/JA FOA First Sergeant and associated Directors.

4.2 The AF/JA FOA has a continued need during FY26 – FY30 for contract support by a JAX Personnelist that will help manage military personnel programs and oversee all CSS operations to ensure all applicable tasks are accomplished. The CSS is responsible for a variety of military and civilian personnel programs affecting the health, morale and welfare of assigned personnel. The CSS serves as the conduit between assigned personnel, the commander, directors, and various base agencies. Some additional, notable JAX Personnelist requirements are explained in the Sub-Paragraphs below.

4.2.1 The Contractor must be proficient in performing the following **primary technical aspects** which are important to the JA mission:

- [1] Familiarity with military personnel systems;
- [2] Ability to research and interpret Air Force regulations; and
- [3] Ability to effectively communicate orally and in writing the technical elements of military personnel functions.

4.2.2 The Contractor must **perform** all PWS requirements **onsite at a Government-owned/controlled facility** at Joint Base Andrews in Maryland (Address: 1500 West Perimeter Road, Suite 1780.02, Jones Building, **Joint Base Andrews, Maryland**, 20762).

4.2.3 Assigned Contractor personnel must **perform onsite during** the following **Core Work Hours and Workdays: Monday – Friday, from 0730 - 1630** Eastern Time Zone (except for Federal holidays or base closure due to inclement weather or other emergency).

4.2.4 Based on historical actuals, **1** annual full-time equivalent (**FTE**) with the requisite knowledge, skills, experience, ability, training, education, technical proficiency, and secret security clearance **is sufficient** to perform all JAX Personnelist professional services and requirements. In addition to the above, the Contractor's assigned employee must meet the following **minimum personnel requirements**: Be a **current United States (U.S.) Citizen** and

possess a High School Diploma or similar General Educational Development (GED) credential from an accredited institution. A relevant bachelors college degree is preferable but not required.

4.2.5 Assigned Contractor personnel must possess a current, active **Secret security clearance**. Secret is the highest classified security level and there will be a corresponding DD254.

4.2.6 The anticipated **Period of Performance (PoP)** is as follows:

Transition: 3 September 2026 – 13 September 2026 (10 Days)

Base Period: 14 September 2026 – 2 September 2027 (355 Days)

Option Year 1: 3 September 2027 – 2 September 2028 (365 Days)

Option Year 2: 3 September 2028 – 2 September 2029 (365 Days)

Option Year 3: 3 September 2029 – 2 September 2030 (365 Days)

Option Year 4: 3 September 2030 – 2 September 2031 (365 Days)

Please refer to the attached Draft Performance Work Statement (PWS) for additional requirements, tasks, services, and security specifications which would apply to the subject acquisition.

5.0 GOVERNMENT QUESTIONS FOR INDUSTRY RESPONSE

1. Is your company currently technically capable of fulfilling all requirements expressed above on this SSN and the attached Draft PWS as a Prime Contractor? Please explain.

2. Does your company currently possess the sufficient number of professional personnel resources (1 FTE) with the required current/active Secret security clearance level, who is also technically qualified to meet all Draft PWS requirements, satisfy all primary technical aspects identified above on this SSN, and perform onsite at the Government owned/controlled facility located at Joint Base Andrews, Maryland, on day 1 of the transition period? Please explain.

3. What is your company's general history, capabilities, experience, strengths, and weaknesses in providing Commercial Professional Services which are similar to and/or consistent with the Government's requirements expressed above on this SSN and on the attached Draft PWS? Please explain.

4. What are some examples/references/samples (no more than 3) of recent and relevant performance on a Federal Contract or Agreement (recent, meaning within the last 3 years and relevant, meaning the work was the same as or similar to the requirements expressed on the attached Draft PWS)? Please provide the data/information for those recent/relevant references as noted below.

***Note:** For each example/reference/sample, provide the Federal Contract/Agreement Numbers, Commercial Company-to-Company Purchase Order Numbers, Dates/PoPs, Total Dollars,

8.0 ORGANIZATIONAL CONFLICT OF INTEREST

The Government would also like to remind companies of their responsibility to avoid and/or mitigate any potential Organizational Conflict of Interest (OCI). Guidance is found in Federal Acquisition Regulation (FAR) Part 9.5. If a company has a potential OCI situation, they must submit and have an approved mitigation plan prior to the Government's consideration of any proposal for award. Since the approval process can be lengthy and approval of any plan is not assured, it is highly recommended that potential OCI identification and resolution processes begin during the planning phase if possible. An OCI could result in the canceling of a contract or determining an Offeror to be ineligible for award. Potential OCI issues, and mitigation plans if developed, shall be included as an attachment to Capability Package. Such OCI attachment shall NOT be considered in the Capability Package total page count.
