AGAR Clauses

452.203-71 Anti-Discrimination and Diversity, Equity, and Inclusion (DEI) Compliance (Dec 2025)

(a) By entering into this contract, the Contractor certifies that:

- (1) It is compliant with all applicable Federal anti-discrimination laws and the Equal Protection principles of the U.S. Constitution, and it will remain compliant for the duration of the contract.
- (2) Neither it nor any subcontractor or teaming partner operates or funds any program, policy, or initiative that promotes DEI in a manner that violates any applicable Federal anti-discrimination laws, including but not limited to Title VI and VII of the Civil Rights Act of 1964, or the Equal Protection principles of the U.S. Constitution, and the Contractor and any subcontractor or teaming partner will not do so for the duration of the contract.

(b) If the Contractor participates in, facilitates, or funds programs that implicate Title VI of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972, as amended, including but not

limited to grants to or for schools, colleges, universities, 4-H programs, non-governmental organization (NGO) programs, sports programs, and education-related grants to prisons or other detention facilities, the Contractor certifies that it will remain compliant with those laws, including the requirements set forth in Executive Order 14168, Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government, and Executive Order 14173, Ending Illegal Discrimination and Restoring Merit-Based Opportunity.

(c) The Contractor affirms that the above requirements are conditions of payment that go to the essence of the contract and are therefore material terms of the contract. Payments under the contract are predicated on compliance with the above requirements, and therefore the Contractor is not eligible for funding under the contract or to retain any funding under the contract absent compliance with the above requirements.

(d) This certification reflects a change in the Government's position regarding the materiality of the foregoing requirements and therefore any prior payment of similar claims does not reflect the materiality of the foregoing requirements to this contract.

(e) Submission of a knowing false statement relating to Contractor's compliance with the above requirements and/or eligibility for the contract may subject the Contractor to liability under the False Claims Act, 31 U.S.C. § 3729, and/or criminal liability, including under 18 U.S.C. §§ 287 and 1001.

(f) The Contractor must include the provisions of this clause in all subcontract solicitations.

(g) Failure on the part of the Contractor or its subcontractors to comply with the terms of this clause may be grounds for the Contracting Officer to terminate this contract for default.

(End of Clause)

452.204-70 Modification for Contract Closeout (Apr 2026)

(a) If unliquidated funds in the amount of \$1000 or less remain on the contract, the Contracting Officer (Contracting Officer) may issue a unilateral modification for deobligation. The contractor will receive a copy of the modification but is not required to provide a signature. The Contracting Officer will immediately proceed with contract closeout upon completion of the period of performance, receipt and acceptance of supplies or services, and final payment.

(b) For commercial contracts not exceeding the simplified acquisition procedure threshold under FAR 12.001(c), if more than \$1,000 in unliquidated funds remain at closeout, the Contracting Officer will issue a bilateral deobligation modification. Only the modification requires the contractor's signature, though a Release of Claims may be requested. If the required documents are not returned within 60 days, the Contracting Officer will issue a unilateral modification and proceed with closeout once performance is complete, acceptance is confirmed, and final payment is made.

(c) For all other non-commercial or non-cost-reimbursement contracts, if more than \$1,000 in unliquidated funds remain at closeout, the Contracting Officer will issue a bilateral deobligation modification and a Release of Claims, both requiring contractor signature. If these documents are not returned within 120 days, the Contracting Officer will issue a unilateral modification and proceed with closeout upon completion of performance, acceptance, and final payment.

(b) *Computation of amounts.* Progress payments will be authorized when the payment requested is properly due in accordance with this contract; the work will be performed in accordance with the contract; and there has been no impairment or diminution of the Government's security under this contract. The Contracting Officer may authorize consideration of:

- (3) Materials delivered on site and preparatory work;

- (ii) Subcontractor and supplier invoices, payment records, and lien waivers;

- (iii) Access to any fabrication facilities where contract-related work is being performed.

(3) Access to electronic invoicing or project management systems used to track progress and payments, if such systems are used in contract performance.

(f) *Dates for payment.* A progress payment under this clause is a contract progress payment under the Prompt Payment clause of this contract, and except as provided in paragraph (g) of this clause, approved requests shall be paid within 30 days of submittal of a proper request for payment.

(g) *Liquidation of progress payments.* Progress payments shall be liquidated by deducting from the payment of each item the total unliquidated amount of progress payments made for that separately priced unit of that line item. The liquidation amounts for each line item shall be clearly delineated in each request for progress payment submitted by the Contractor.

(h) *Security for progress payments.* In the event the Contractor fails to provide adequate security as required in this contract, no progress payment shall be made under this contract. Upon receipt of adequate security, progress payments shall be made, including all previous payments to which the Contractor is entitled, in accordance with the terms of the contract. If at any time the Contracting Officer determines that the security provided by the Contractor is insufficient, the Contractor shall promptly provide such additional security as the Contracting Officer determines necessary. In the event the Contractor fails to provide such additional security, the Contracting Officer may collect or liquidate such security that has been provided, and suspend further payments to the Contractor; the Contractor shall repay to the Government the amount of unliquidated progress payments as the Contracting Officer at his sole discretion deems repayable.

(i) *Special terms regarding termination for cause.* If this contract is terminated for cause, the Contractor shall, on demand, repay to the Government the amount of unliquidated progress payments. The Government shall be liable for no payment except as provided by the Termination for Cause paragraph of the clause at Federal Acquisition Regulation 52.212-4, Contract Terms and Conditions—Commercial Products and Commercial Services.

(j) *Reservation of rights.*

- (1) No payment, vesting of title under this clause, or other action taken by the Government under this clause shall-
 - (i) Excuse the Contractor from performance of obligations under this contract; or
 - (ii) Constitute a waiver of any of the rights or remedies of the parties under the contract.
- (2) The Government's rights and remedies under this clause-
 - (i) Shall not be exclusive, but rather shall be in addition to any other rights and remedies provided by law or this contract; and
 - (ii) Shall not be affected by delayed, partial, or omitted exercise of any right, remedy, power, or privilege, nor shall such exercise or any single exercise preclude or impair any further exercise under this clause or the exercise of any other right, power, or privilege of the Government.

(k) *Refund of unearned amounts.* If the Contractor, after making a certified request for progress payments, discovers that a portion or all of such request constitutes a payment for performance by the Contractor that fails to conform to the specifications, terms, and conditions of this contract (hereinafter referred to as the "unearned amount"), the Contractor shall-

- (1) Notify the Contracting Officer of such performance deficiency; and
- (2) Be obligated to pay the Government an amount (computed by the Contracting Officer in the manner provided in paragraph (j) of this clause) equal to interest on the unearned amount from the 8th day after the date of receipt of the unearned amount until-
 - (i) The date the Contractor notifies the Contracting Officer that the performance deficiency has been corrected; or
 - (ii) The date the Contractor reduces the amount of any subsequent certified request for progress payments by an amount equal to the unearned amount.

(l) *Retainage.* If the Contracting Officer finds that satisfactory progress was achieved during any period for which a progress payment is to be made, the Contracting Officer shall authorize payment to be made in full. However, if satisfactory progress has not been made, the Contracting Officer may retain a maximum of 10 percent of the amount of the payment until satisfactory progress is achieved. When the work is substantially complete, the Contracting Officer may retain from previously withheld funds and future progress payments that amount the Contracting Officer considers adequate for protection of the Government and shall release to the Contractor all the remaining withheld funds. Also, on completion and acceptance of each separate building, public work, or other division of the contract, for which the price is stated separately in the contract, payment shall be made for the completed work without retention of a percentage.

(m) *Title, liability, and reservation of rights.* All material and work covered by progress payments made shall, at the time of payment, become the sole property of the Government, but this shall not be construed as-

- (1) Relieving the Contractor from the sole responsibility for all material and work upon which payments have been made or the restoration of any damaged work; or
- (2) Waiving the right of the Government to require the fulfillment of all the terms of the contract.

- (3) The Government's rights and remedies under this clause-
- (i) Shall not be exclusive, but rather shall be in addition to any other rights and remedies provided by law or this contract; and

(n) *Reimbursement for bond premiums.* In making these progress payments, the Government shall, upon request, reimburse the Contractor for the amount of premiums paid for performance and payment bonds (including coinsurance and reinsurance agreements, when applicable) after the Contractor has furnished evidence of full payment to the surety. The retainage provisions in paragraph (l) of this clause shall not apply to that portion of progress payments attributable to bond premiums.

(o) *Final payment.* The Government shall pay the amount due the Contractor under this contract after-

- (1) Completion and acceptance of all work;
- (2) Presentation of a properly executed voucher; and
- (3) Presentation of release of all claims against the Government arising by virtue of this contract, other than claims, in stated amounts, that the Contractor has specifically excepted from the operation of the release. A release may also be required of the assignee if the Contractor's claim to amounts payable under this contract has been assigned under the Assignment of Claims Act of 1940 (31 U.S.C.3727 and 41 U.S.C. 6305).

(p) *Limitation because of undefinitized work.* Notwithstanding any provision of this contract, progress payments shall not exceed 80 percent on work accomplished on undefinitized contract actions. A "contract action" is any action resulting in a contract, as defined in FAR subpart 2.1, including contract modifications for additional supplies or services, but not including contract modifications that are within the scope and under the terms of the contract, such as contract modifications issued pursuant to the Changes clause, or funding and other administrative changes. Evaluation and Basis for Award

The provision at FAR 52.212-2, Evaluation—Commercial Products and Commercial Services is not applicable to this solicitation. In lieu of this provision, quotes will be evaluated in accordance with FAR 12.203 based on the criteria listed below. Evaluations will be conducted utilizing a lowest price technically acceptable approach. Award will be made to the offeror representing the best value to the Government.

Technical Acceptability: Technical acceptability will be evaluated on an Acceptable/Unacceptable basis. The offeror must clearly demonstrate that the proposed supplies meet **all** specifications, characteristics, performance requirements, and standards listed in the Statement of Work (SOW),

At a minimum, offerors shall provide:

- A clear description of the item(s) offered, any technical data necessary to verify conformance.
- Product literature, specifications, drawings, or other documentation showing the supplies offered meet or exceed all listed requirements.
- Identification and explanation of any specification that cannot be met. The Government intends to award without discussions, and exceptions may result in an Unacceptable rating.

Failure to submit sufficient technical documentation to verify compliance may result in a determination of Unacceptable.

Price:

The offeror shall provide pricing as requested in the Schedule of Items attached. Failure to propose pricing for all individual line items may result in a quotation being excluded from further consideration. The offeror's quotation will be evaluated in accordance with FAR 12.204, to determine if it is fair and reasonable.

Past Performance:

The Government may utilize any references provided by the Contractor, along with information available from past contracts/orders with the USDA and any information found using sources such as Federal Government sources or the Contractor Performance Assessment Reporting System (CPARS) to determine if the Contractor has acceptable or neutral Past Performance. Past Performance will be evaluated using the following rating system:

**Sawtooth National Recreation Area Admin Site Window & Door Replacements Project
1240LTQ0050**

- Acceptable: The contractor shows a demonstrated ability to meet contract requirements in prior or current contracts, including quality of work, timeliness, cost control, business relations, and adherence to contract terms.
- Neutral: Offeror does not have a past performance record.
- Unacceptable: The contractor has a documented history of failing to meet contract requirements, including poor quality, missed deadlines, cost overruns, lack of responsiveness, or unethical behavior.

Evaluation Method:

The Government will first evaluate the lowest-priced quotation. If that quotation is rated Technically Acceptable with Acceptable or Neutral past performance, it will be selected for award. If not, the Government will evaluate the next lowest-priced quotation, continuing this process until the lowest-priced, technically acceptable quotation with acceptable or neutral past performance is identified.

AGAR Provisions

452.203-70 Anti-Discrimination and Diversity, Equity, and Inclusion (DEI) Certification (Dec 2025)

(a) By submission of its offer, the offeror certifies that:

- (1) It is compliant with all applicable Federal anti-discrimination laws and the Equal Protection principles of the U.S. Constitution.
- (2) Neither it nor any proposed subcontractor or teaming partner operates or funds any program, policy, or initiative that promotes DEI in a manner that violates any applicable Federal anti-discrimination laws, including but not limited to Title VI and VII of the Civil Rights Act of 1964, or the Equal Protection principles of the U.S. Constitution.

(b) If the offeror participates in, facilitates, or funds programs that implicate Title VI of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972, as amended, including but not limited to grants to or for schools, colleges, universities, 4-H programs, non-governmental organization (NGO) programs, sports programs, and education-related grants to prisons or other detention facilities, by submission of its offer, the offeror certifies that it is compliant with those laws, including the requirements set forth in Executive Order 14168, Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government, and Executive Order 14173, Ending Illegal Discrimination and Restoring Merit-Based Opportunity.

(e) Submission of a knowing false statement relating to offeror's compliance with the above requirements and/or eligibility for the contract may subject the offeror to liability under the False Claims Act, 31 U.S.C. § 3729, and/or criminal liability, including under 18 U.S.C. §§ 287 and 1001.

NOTICE FOR FILING AGENCY PROTESTS

**Sawtooth National Recreation Area Admin Site Window & Door Replacements Project
1240LTQ0050**

United States Department of Agriculture (USDA) Ombudsman Program

The USDA is committed to issuing solicitations and awarding contracts in a fair and prompt manner. The Ombudsman Program for Agency Protests (OPAP) was established to address protest issues within the agency, providing an alternative to costly and time-consuming litigation. Operating independently, OPAP offers relief comparable to that granted by the Government Accountability Office (GAO). Interested parties are encouraged to resolve concerns through USDA's internal Alternative Dispute Resolution (ADR) process before pursuing external forums such as the GAO. Concerns may be addressed informally or through a formal agency protest filed with either the Contracting Officer or the Ombudsman.

Informal Forum with the Ombudsman

1. **Initial Point of Contact:** Interested parties who believe a specific USDA procurement is unfair or otherwise defective should first direct their concerns to the applicable Contracting Officer.
2. **Escalation:** If the Contracting Officer is unable to address their concerns, interested parties are encouraged to contact the USDA Ombudsman for Agency Protests. Under this informal process, the agency is not required to suspend contract award performance. Utilization of the informal forum does not suspend any time requirement for filing a formal protest with the agency or other forums.
3. **Required Information:** To ensure a timely response, interested parties should provide the following information to the Ombudsman: solicitation/contract number, contracting office, Contracting Officer, and solicitation closing date (if applicable).

Formal Agency Protest with the Ombudsman

1. **Effort to Resolve:** Prior to submitting a formal agency protest, protesters must first use their best efforts to resolve their concerns with the Contracting Officer through open and frank discussions.
2. **Independent Review:** If the protester's concerns remain unresolved, an Independent Review is available by the Ombudsman. The protester may file a formal agency protest with either the Contracting Officer or, alternatively, with the Ombudsman under the OPAP program. Contract awards or performance will be suspended during the protest period unless justified in writing for urgent and compelling reasons or determined in writing to be in the best interest of the Government.
3. **Resolution Timeline:** The agency's goal is to resolve protests within 35 calendar days from the date of filing.
4. **Required Information:** Protests shall include the information set forth in FAR 33.104(a)(3). Failure to submit the required information may result in a delay or dismissal of the protest.
5. **Timeliness:** Protests must be filed within the timeframes specified in FAR 33.104.
6. **Submission:** Formal protests under the OPAP program should be submitted electronically to SPE.inquiry@usda.gov and the Contracting Officer.

Election of Forum. By initiating a protest with the USDA, the protester agrees not to pursue the same matter with the Government Accountability Office (GAO) or any other external forum while the agency protest is pending. If a protest is filed externally, the agency protest will be dismissed.
