PART 1

1.0 GENERAL INFORMATION

1.1. This is a non-personal services contract to provide Medical and Pharmaceutical Waste Removal and Disposal for Naval Health Clinic Cherry Point (NHCCP).

1.2. Description of services/introduction: The contractor shall provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items and non-personal services necessary to perform Medical and Pharmaceutical Waste Removal and Disposal as defined in this Performance Work Statement (PWS) except for those items specified as government furnished property and services. The contractor shall perform to the standards in this PWS. The contractor shall comply with all federal, state, and local laws and regulations for removal, transportation and disposal of medical and pharmaceutical wastes.

1.3. Background: Naval Health Clinic Cherry Point has a need for Regulated Medical Waste (RMW) and Pharmaceutical Waste Disposal. The contractor shall comply with all federal, state, and local laws and regulations for removal, transportation and disposal of medical and pharmaceutical waste during the performance of services.

1.4. Objectives: Contractor shall provide properly trained drivers to transport medical and pharmaceutical waste over public roads in accordance with 49 CFR Part 172.400 and state regulations for pick-up and disposal of medical and pharmaceutical waste. The Contractor shall

pick-up one (1) time per week between the hours of 8:00 am to 4:00 pm, Monday through Friday. Date and time of pick-up will be coordinated between the government and contractor.

1.4.1. The Contractor shall furnish approximately 240 medical waste and 36 pharmaceutical waste boxes and liners per year to NHCCP.

1.4.2. Containers shall meet DOT 49 CFR Parts 173, 178, and 179 specifications and withstand handling, transfer, and transportation. Boxes shall be provided to NHCCP in a timely manner, marked and labeled properly, ensuring safe handling in locked containers while under the contractor's control until disposal. Certified manifest for transported waste will include date/time and quantity of pick-up.

1.5. Scope: In accordance with all applicable federal, state, and local laws and regulations as applicable to the performance of this contract for the removal and disposal of both medical and pharmaceutical wastes from NHCCP. The Government is anticipating the award of a Five (5) year Firm Fix Price (FFP). The awarded contract will have a one (1) year Base and four (4) 1-year options.

1.6. Period of Performance (PoP):

Base Year: October 01, 2026 - September 30, 2027

Option 1: October 01 - 2027 September 30, 2028

Option 2: October 01 - 2028 September 30, 2029

Option 3: October 01 - 2029 September 30, 2030

Option 4: October 01 - 2030 September 30, 2031

1.7 Administrative specifications

1.7.1. Place of performance: The work shall be performed at:

Naval Health Clinic Cherry Point
MCAS Cherry Point
4389 Beaufort Road
Cherry Point NC 28533

1.7.2. Recognized Federal holidays: The contractor is not required to perform services on holidays:

New Year's Day	Labor Day
Martin Luther King Jr.'s Birthday	Columbus Day
President's Day	Veteran's Day
Memorial Day	Thanksgiving Day
Juneteenth Day	Christmas Day
Independence Day	

1.7.3. Hours of operation: The contractor is responsible for conducting business Monday through Friday at the determined pick-up date except Federal holidays or when the Government facility is closed due to local or national emergencies, administrative closings, or similar Government

directed facility closings. The contractor must at all times maintain an adequate workforce for the uninterrupted performance of all tasks defined within this PWS when the Government facility is not closed for the above reasons.

1.7.4. Emergency Services: On occasion, services may be required to support an activation or exercise of contingency plans outside the normal duty hours.

1.10. Quality

1.10.1. Quality Control (QC): The contractor shall develop and maintain an effective QC program to ensure services are performed in accordance with this PWS. The contractor shall develop and implement procedures to identify, prevent, and ensure nonrecurrence of defective services. The contractor's QC program is the means by which the work complies with stated requirements.

1.10.2. Quality assurance (QA): The government will evaluate the contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan (QASP). This plan provides a systematic method for the Government to evaluate performance and to ensure that the contractor has performed in accordance with the performance standards. It defines how the performance standards will be applied, the frequency of surveillance, and the minimum acceptable defect rate(s).

1.11. Contractor personnel

1.11.1. Contractor Identification

Contractor personnel performing services in a contractor capacity in a government facility are required to possess and wear an identification badge that displays his or her name and the name of their company.

1.11.2. The contractor shall report to the loading dock in the back of Building 4389 Beaufort Road. The contractor shall ring the doorbell twice to notify Materiel Management personnel of their arrival.. A designated staff member that has a clear understanding of the contract requirement will escort the contractor to required location for pick-up.

1.11.3. Installation Access

Obtain access to Navy and Marine Corps installations through participation in the Defense Biometrics Identification System (DBIDS). Requirements for Contractor employee registration, and transition for employees currently under Navy Commercial Access Control System (NCACS), are available at <https://www.cnmc.navy.mil/om/dbids.html>. No fees are associated with obtaining a DBIDS credential.

Participation in the DBIDS is not mandatory, and Contractor personnel may apply for One-Day Passes at the Base Visitor Control Office to access an installation.

REGISTRATION FOR DBIDS

Registration for DBIDS is available at <https://www.cnmc.navy.mil/Operations-and-Management/Base-Support/DBIDS/>. Procedure includes:

- a. Present a letter or official award document (i.e., DD Form 1155 or SF 1442) from the Contracting Officer that provides the purpose for access to the Base Visitor Control Center representative.

- b. Present valid identification, such as a passport or Real ID Act-compliant state driver's license.
- c. Provide completed SECNAV FORM 5512/1 to the Base Visitor Control Center representative to obtain a background check. This form is available for download at <https://www.cnmc.navy.mil/Operations-and-Management/Base-Support/DBIDS/>.
- d. Upon successful completion of the background check, the Government will complete the DBIDS enrollment process, which includes Contractor employee photo, fingerprints, base restriction, and several other assessments.
- e. Upon successful completion of the enrollment process, the contractor employee will be issued a DBIDS credential and will be allowed to proceed to worksite.

DBIDS ELIGIBILITY REQUIREMENTS

Throughout the length of the contract, the Contractor employee must continue to meet background screen standards. Periodic background screenings are conducted to verify continued DBIDS participation and installation access privileges. DBIDS access privileges will be immediately suspended or revoked if at any time a contractor employee becomes ineligible.

An adjudication process may be initiated when a background screen failure results in disqualification from participation in the DBIDS, and the Contractor employee does not agree with the reason for disqualification. The Government is the final authority.

DBIDS NOTIFICATION REQUIREMENTS

Immediately report instances of lost or stolen badges to the Contracting Officer.

Immediately collect DBIDS credentials and notify the Contracting Officer in writing under the following circumstances:

- 1) An employee has departed the company without having properly returned or surrendered their DBIDS credentials.
- 2) There is a reasonable basis to conclude that an employee, or former employee, might pose a risk, compromise, or threat to the safety or security of the Installation or anyone therein.

ONE-DAY PASSES

Personnel applying for One-Day passes at the Base Visitor Control Office are subject to daily mandatory vehicle inspection and will have limited access to the installation. The Government is not responsible for any cost or lost time associated with obtaining daily passes or added vehicle inspections incurred by non-participants in the DBIDS.

1.11.3.1. STATION REGULATIONS

No employee or representative of the contractor will be admitted to the work site without an Identification Badge.

CONTRACTOR ACCESS TO MCAS CHERRY POINT AND OUTLYING AREAS

Documentation requirements for granting access to MCAS Cherry Point for commercial and contract employers and employees. This document is an aid in meeting ASO 5560.6B requirements and is not a substitute for the order.
