

STATEMENT OF WORK

NH Army National Guard

“237th AT CHOW 2026”

Location: Center Strafford Training Site, 19 Austin Cate Dr. Center Strafford, NH 03884

1. Scope of Work:

- a. The awarded contractor shall provide all personnel, supervision, subsistence, and other items necessary to prepare and deliver meals as defined in this Statement of Work (SOW). Meals will be in support of training being conducted at “Center Strafford Training Site” for a period of 5 days as follows: 22 June 2026 to 26 June 2026
- b. The contractor shall perform to the standards set forth in this contract. Contractor tasks include but are not limited to the following: (1) Off-site preparation of breakfast and dinner meals as outlined in the “237th AT FY26 Meal Plan” attached to this SOW.

2. General:

- a. The contractor shall furnish all Supervisory and labor Staff required to accomplish all work associated with this contract during the period of performance as outlined in the subject contract.
- b. The contractor shall provide on-site personnel to assist in the delivery and serving of the meals. Contractor staff personnel shall be neat in appearance, courteous, and present a helpful attitude towards the patrons dining.
- c. The contractor shall ensure that all food handlers are in accordance with applicable health and safety regulations.
- d. All contractor personnel operating a motor vehicle shall have a valid state driver’s license.
- e. The use of alcoholic beverages, drugs, and tobacco products is prohibited.

3. Quality Control: The contractor shall maintain a Quality Control Program to ensure the requirements of the contract and the meal preparations are in accordance with the terms and conditions of this contract and applicable food service regulations (AR 30-22, DA PAM 30-22, TM 412).

4. Delivery Times:

- a. The normal serving times are outlined in attached “237th AT FY26 Meal Plan”, section 16. Based on the training of soldiers, the Government may adjust the time schedule for serving of meals. *The SUPERVISOR will provide a 24 Hour notice to the Contractor of serving time adjustment(s).*
- b. The quantity of meals is outlined in attached “237th AT FY26 Meal Plan”, section 15a and is

based on estimated attendance. These numbers are subject to change. *The contractor will be given at least a 72 hour notice if revision of meals ordered is required.*

5. Dining Facility:

a. The units shall set up and maintain an onsite facility with tables to carry out the requirements of the SOW.

6. Maintenance of Dining Facility:

a. The contractor shall remove any soiled eating ware left on serving line at the end of each meal served. Tables and chairs will be wiped down by unit.

b. All debris that is accrued after each meal served will be bagged and removed to outside receptacles provided for this purpose by the unit.

c. The contractor shall notify the SUPERVISOR of any maintenance requirements, other than those identified in this SOW that prevents the contractor from carrying out the requirements of this SOW.

7. Sanitation:

a. The contractor shall ensure that all employees used in performance of this SOW practice personal hygiene procedures. Food preparation, handling, transporting, and storage must meet the sanitation requirements.

b. The contractor shall at all times conduct the requirements of this SOW in a sanitary manner to prevent the attraction of insects, vermin, and rodents. If an infestation of vermin occurs at the dining facility, the contractor shall immediately notify the SUPERVISOR. Pest control treatments of the dining facility will be required by the government as necessary.

8. Storage of Supplies and Related Items: No on-site storage of supplies is permitted while performing this contract.

9. Progressive Replenishment: The contractor shall progressively prepare items to ensure freshness and optimum flavor, color, texture, and nutritive value. The contractor shall replenish menu items throughout scheduled serving hours so that each patron is provided a minimum of one food selection from each food group. Empty serving food containers shall be removed and replaced with filled containers of garnished foods. Replacement food shall not be added to a serving line food container while the food container is on the serving line.

10. Leftovers: The contractor shall offer for service, as menu enhancements, leftover foods that have been prepared and stored in accordance with standard food handling procedures. The contractor shall not use leftovers as a substitute for menu items without prior approval of the SUPERVISOR. Items kept at unsafe temperatures or exposed to contamination shall not be retained for use.

11. Beverages Service: The contractor shall at a minimum provide at least 3 beverages per meal. For example, Milk, Coffee and Cold Beverage. Drinks will be offered heated or cooled as required.

12. Serving Line: Serving of all delivered meals is the contractors responsibility. The contractor will ensure that foods are at the applicable temperature, based on the industry standard. Hot food will be maintained 135 degrees Fahrenheit and cold food will be maintained below 41 degrees Fahrenheit. Prior to and during serving, the COR may check the temperatures for quality assurance.

13. Serving Time. All breakfast meals will be ready to serve at 0630. All Dinner meals will be ready to serve at 1700 unless otherwise stated in 237th AT FY26 Meal Plan.

14. Packaging and Delivery. All meals will be delivered to Center Strafford Training Site at 19 Austin Cate Dr, Center Strafford, NH 03884.

13. Condiment Service: The contractor shall have available throughout scheduled serving hours, table or counter service condiments, seasonings, and dressings. Ketchup, mustard, steaks sauce and other sauces may be served in original container or in a contractor furnished dispenser. Sugar and sugar substitutes shall be available in individual packages or in pour type containers.

14. Tableware: The contractor shall maintain tableware (utensils, dishes, cups, trays, etc.) and table appointments (napkins, sugar, salt, pepper, etc.) so they are available to all patrons without waiting. Eating utensils cups, dishes, plates, trays, etc. will be of good quality paper or plastic.

15. Requested Meals and Meal Plan

a. The following represents the requested “Meal Schedule” by date, meal count, location, time and meal:
