

REQUEST FOR ACCESS TO LIMITED DISTRIBUTION MATERIALS

Please fill out all requested information completely and accurately (refer to the tooltip text in each field for guidance). Unless otherwise directed, send all completed forms to NSWCPD_INDUSEC@us.navy.mil for review. The Government will use the information provided to assess eligibility for receipt of limited distribution materials using the flow chart shown here:

Condition 1: The information requester qualifies by meeting the limited dissemination criteria stated in the distribution statement of the requested material.

Condition 2a: The information requester is a Government entity (local, state, or federal) whose use of the information could serve the interest of the U.S. Sailor and provide benefits that outweigh the risks of information dissemination (e.g., a DHS component seeking technical assistance with a PPE procurement requests materials marked as restricted to DoW only.)

Condition 2b: The information requester is a U.S. company whose use of the information could result in potential gains to the Government from additional industry competition or innovation achievable only through the assumption of risk associated with the distribution exception (e.g., demonstrated ability to manufacture, in the United States, Buy American Act and Berry Amendment compliant end items similar to that desired as evidenced by production for the commercial sector or under contract with a U.S. Government entity (federal, state, or local).
