

Request for Information/Sources Sought Notice
VA-26-00042583

This Request for Information (RFI) / Sources Sought Notice (SSN) is issued solely for planning purposes. It does not constitute a solicitation or a promise to issue a solicitation in the future. Responses to this RFI/SSN are strictly for requirement development and market research purposes and the responses will be used by the U.S. Government to make appropriate acquisition decisions. This RFI does not commit the U.S. Government to contract for any supply or service whatsoever. Further, the U.S. Government is not at this time seeking a solicitation response and will not accept unsolicited responses in the form of a quote, proposal, or bid. Responses will not be provided to inquiries/questions.

Interested parties are advised that the U.S. Government will not pay for any costs incurred in response to this RFI/SSN. All costs associated with responding to this RFI/SSN will be solely at the interested party's expense. Submittals will not be returned. Not responding to this RFI/SSN does not preclude participation in any future solicitation, if any is issued.

All questions and responses to this RFI/SSN shall be e-mailed to the individuals identified in the announcement and GSA response portal as applicable or for SAM.gov responses via Email. No phone calls will be accepted. The U.S Government may request follow-up information or a meeting if necessary.

Submittal Information:

Interested parties having the necessary expertise to perform the stated requirements may submit a response of no more than 10 pages in length, single spaced, size 12 font, 1" margins. Any pages in excess may not be reviewed. All pages submitted count towards the page limitation. If Ai is involved in creating a response, there should be a clear indication of how Ai was used. The use of Ai should primarily be confined to enhancing the clarity of the response.

A. Qualifications and General Information: Provide the following information:

- a. Entity name, address, phone, email, SAM, Unique Entity ID, Type of Business, Business Size (i.e. LARGE, SMALL, VOSB/SDVOSB, etc.) and Points of Contact.
- b. Identify if you have a General Services Administration (GSA) Multiple-Award Schedule (MAS) or Federal Supply Schedule or are an OASIS IDIQ Prime Contractor and what MAS or another schedule you hold that VA could consider.
- c. Identify if you are Integrated Healthcare Transformation (IHT) IDIQ Prime Contract Holder, Veteran Enterprises Contracting for Transformation and Operational Readiness (VECTOR) IDIQ Prime or Oasis Contract Holder, and if your company is under the NAICS provided or if there are alternatives that could be considered.

- d. If your entity is a Veteran Owned or Service-Disabled Veteran Owned Small Business (VOSB/SDVOSB), and if so, status of certification with SBA VetCert.
- e. Provide a brief statement of core business competencies and why your organization is suitable for meeting the requirements outlined in the DRAFT Performance Work Statement. The statement should be sufficient to demonstrate that your company holds the ability to fully perform the work itself or with subcontractor assistance.
- f. Provide any relevant information to help determine if the requirement is commercially available, including any existing pricing information, basis for pricing information (e.g., market pricing, catalog pricing, historical pricing, etc.), delivery schedules, customary terms and conditions, warranties, etc.
- g. Identify whether your business is interested in competing for this requirement as a prime contractor or not. Identify existing subcontracting, joint ventures, or teaming arrangement that would be included. Limitations of Subcontracting clauses and provisions will apply.
- h. The Government is not seeking submissions of generalized "Spec-Sheets" or mass-produced capability documents, nor responses that do not demonstrate specific capability in meeting the requirements.

B. Requirement Comments and Questions:

- a. Do you have any input regarding the DRAFT Performance Work Statement? Please provide any comments using the Microsoft Word Comment tool with your response.
- b. What NAICS, MAS or PSC code would you recommend if different than the announcement and why?
- c. Do you have any questions regarding the PWS? Note, questions will not be answered, though they may be used for further refining the requirement documents.

C. Experience: Provide the following information for similar projects completed or ongoing for which the entity was/is a prime or subcontractor.

- a. The title, scope, and dollar value of the project.
- b. The prime contract type.
- c. The name, telephone and/or email address for the customer's point of contact.
- d. A brief description (no more than a few paragraphs) of the project and why it is relevant (in scope and size) to this requirement, including difficulties and successes.
- e. The respondent roles and services provided for the project.

D. General Information

- a. The NAICS Code/GSA SIN **561422 - Telemarketing Bureaus and Other Contact Centers** is being considered the most appropriate for this effort.
- b. The **PSC anticipated is R499 – Support, Professional: Other**

- c. This notice is cross-posted on www.SAM.gov and GSA. Only one response is necessary to either of the announcements.
- d. **EMAIL RESPONSES TO:** Michael.Collins7@va.gov directly if responding from SAM. Respond via GSA portal otherwise.

If there are any difficulties with the portal, you may email directly, however the GSA input will be considered over the email submission if both are used for submission from GSA. Please note if GSA if you are submitting via email due to issues with the GSA system.

All capable vendors are encouraged to respond regardless of business size designation.
