MEMORANDUM FOR RFQ 12445526Q0057

FROM USFS PROPS CONS EZ 3

SUBJECT: RFQ 12445526Q0057 Questions & Answers

1. **Question:** “[May the Government provide] more details and confirm site visit requirements?”

Answer: *“For project details and site visit information, please refer to the solicitation and its attachments, included in the SAM.gov posting.”*

2. **Question:** “[May the Government verify] if our business would qualify as a [small business] for the project?”

Answer: *“Vendor size eligibility is determined by the vendor’s size status, relative to the applicable NAICS code Size Standard. This Size Standard can be found in the Solicitation material and SAM.gov posting.”*

3. **Question:** “Is the SOI form all that needs to be [submitted]? Does the signature line require a live signature, followed by a scan and send as PDF?”

Answer: *“Offeror instructions can be found on Page 17 of the Solicitation. It is recommended that vendors review these instructions closely, per the solicitation and its SAM.gov posting, and ensure the quotation complies with the required format/content.”*
