

AMERICAN BATTLE MONUMENTS COMMISSION

REQUEST FOR PROPOSAL No. 74330226R0039 **Fallen Servicemembers Religious Heritage Restoration Program**

OVERVIEW

The American Battle Monuments Commission (ABMC) is soliciting proposals for commercial research services to identify American Jewish servicemembers buried under grave markers that incorrectly represent religion or heritage, and to identify surviving next of kin (NOK), as described in the attached Statement of Work, Attachment 1.

CONTRACT TYPE

ABMC anticipates award of a Firm Fixed Price (FFP) contract. Travel expenses, if required, should be proposed as a separate CLIN.

PERIOD OF PERFORMANCE

The period of performance is anticipated for 12 months for the base year, beginning upon contract award.

EVALUATION CRITERIA

ABMC intends to award one contract to the vendor whose proposal represents the **best value** to the Government. ABMC will evaluate offerors based on the below factors on a best-value approach, in order of importance. Non-price factors, when combined, are more important than price. Price remains an important consideration.

Factors

1. Demonstrated Capability and Expertise: Experience and past performance in work similar to the Statement of Work, including research, evidence based documentation, and NOK identification.
2. Technical Approach: Soundness and feasibility of the proposed methodology, including handling of records, case file development, and NOK research.
3. Management, Schedule, and Deliverables: Ability to manage the work and deliver required products in a timely and reliable manner
4. Quality Control and Data Protection: Adequacy of QC procedures and safeguards for sensitive information and PII.
5. Price: Price will be evaluated for reasonableness and consistency with the proposed approach.

PROPOSAL FORMAT

Proposals shall be submitted in three volumes in pdf format.

Volume I – Technical Approach

Describe how the offeror will perform the Statement of Work, including:

- Research methodology and source verification
- Case file development with citations and confidence assessment

- Approach to identifying and documenting NOK
- Deliverables and schedule
- Quality control procedures
- Data protection and privacy safeguards
- Staffing and key personnel

Volume II – Experience

Provide evidence of demonstrated capability and expertise, including:

- Up to three relevant past projects
- Past performance references (at least two)
- Experience of key personnel

Volume III – Price

Provide a Firm-Fixed-Price for the base period and a price breakdown aligned to the Statement of Work. Include a brief narrative explaining key pricing assumptions.
