

Amendment No. 3
Request for Lease Proposal (RLP) No. 36C26326R0013
Litchfield, MN CBOC

TO ALL OFFERORS:

Wednesday, April 1st, 2026

1. AMENDMENTS

The purpose of this amendment is to revise the proposal due date in response to a request for additional time related to review of design space documents and responses to Requests for Information (RFIs).

The proposal due date is hereby **extended by one (1) week** as follows:

- **Original Due Date:** May 1, 2026
- **Revised Due Date:** May 8, 2026
-

All proposals must be received no later than the revised due date and time specified in the RLP.

The Government has reviewed the timing of RFI responses and associated amendments and determined that the information was provided within a reasonable timeframe and does not constitute a material change to the requirements. However, in the interest of providing additional flexibility to offerors, a limited extension is being granted. A longer extension was determined to be unnecessary and would adversely impact the Government's procurement schedule
