To Whom It May Concern

1. The North Dakota Army National Guard has a requirement for catered meals in support of the 1-188th ADA for their upcoming annual training from 28 May - 11 June 2026. Performance shall be at 1501 S 48th St. Grand Forks, ND 58201. Specifics are included in the attached Performance Work Statement document.
2. The Government will award a Firm-Fixed Price Purchase Order to the responsible offeror whose quote, conforming to the solicitation, will be most advantageous to the Government. The following evaluation factors will be used: technical acceptability and price. As part of the technical acceptability evaluation, the Government may consider past performance information to determine whether the offeror has successfully performed similar requirements in the past. Past performance will be evaluated on a pass/fail basis and may include data from Government databases, prior contracts, and references. **A copy of the quote must be included with your reply.**
3. Special Standards Evaluation Factor: In accordance with FAR 9.104-2(b), the Contracting Officer shall award contracts for subsistence **only** to those prospective contractors that meet the general standards in 9.104-1 and are approved in accordance with agency sanitation standards and procedures. Specifically the Contracting Officer interprets 9.104-1(g) to mean that any catered meal vendors submitting quote meal prices well below the known commercial marketplace pricing structure is determined as not qualified and eligible to receive an award due to high risk of failure to perform.
4. This is a small business set aside requirement. Only small businesses under NAICS 722320 or similar will be allowed to submit a quote.
5. If you wish to compete for this acquisition, please complete the information below and return it and any other required information with your quote. **Quotes are due no later than 5:00 PM CST, Wednesday, 20 May 2026.** The Government reserves the right to make no award resulting from this RFQ.
