Using the flexibilities authorized by the RFO and FAR 12.203(c), the CO may: -Make award without conducting discussions -Use comparative evaluation rather than scoring (permitted under Part 12 streamlined rules), and -Select a quotation that is not the lowest priced if a higher-priced quotation provides better value considering technical approach and past performance. ----- LIST OF CHANGES: Period of Performance: 05/08/2026 to 08/07/2026 ----- REMINDER: All invoices must be submitted directly to www.ipp.gov and include a commercial invoice attached.
