Instructions to Offerors:

The Quoter is required to submit the following information:

- 1) Provide unit price and total price
- 2) Catalog or price list, if available
- 3) Earliest possible delivery date
- 4) SAM.gov Unique Entity ID

Evaluation Criteria:

FAR 52.212-2, Evaluation-Commercial Products and Commercial Services. (FEB 2026)

- (a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers: **Price and Past Performance (Best Value Tradeoff)**
- (b) Options (Not applicable).
- (c) Notice of award. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

Note: The Government will award on the basis of price unless the Contracting Officer is aware of past performance information related to the low price quote/offer which indicates that quote/offer may not represent best value. In that case, the Government reserves the right to consider the past performance of other quotes/offers, conduct a price, past performance tradeoff, and award to other than the lowest price quote/offer

Payment:

DFARS 252.232-7003 and 252.232-7006 apply to this order. Payment shall be made through Wide-Area Workflow (WAWF). Payment will be made in Japanese Yen through Electric Funds Transfer (EFT).

Official procurement in Japan by the U.S. Government is exempted from payment of the consumption tax. Please do not contain the consumption tax in your quotation. As the payment shall be received by EFT, a transaction fee (currently ¥735) for the use of EFT will be deducted by the Financial Institution when making payment.
