Inspection: Origin

Acceptance: Origin

Quality Assurance: HIGHER LEVEL CONTRACT QUALITY REQUIREMENTS FAR 52.246-11
 ISO 9001:2000

A quality system compliant with AS9100, ISO 9001:2008, or equivalent is acceptable. Compliance is demonstrated by certification or third party audit findings, such as from a DCMA QMS audit.

Reminder: Per DFAR 246.202-4 Higher-level Contract Quality Requirements

(1) Higher-level contract quality requirements are used in ADDITION to a standard inspection requirement.

(2) Higher-level contract quality requirements, including non-governmental quality system standards adopted to meet DoD needs, are listed in the DoD Index of Specifications and Standards.

Surplus: Surplus is not authorized
