System updates may lag policy updates. The System for Award Management (SAM) may continue to require entities to complete representations based on provisions that are not included in agency solicitations. Examples include: • 52.222-25, Affirmative Action Compliance, and • 52.212-3, Offeror Representations and Certifications—Commercial Products and Commercial Services, paragraph (d). Contracting officers will not consider these representations when making award decisions or enforce requirements. Entities are not required to, nor are they able to, update their entity registration to remove these representations in SAM.

Funds are not presently available for this solicitation. No award will be made under this solicitation until funds are made available and confirmed in writing by the contracting officer. The Government reserves the right to cancel this solicitation at any time, either before or after the closing date. In the event of cancellation, the Government shall have no obligation to reimburse any responding party for any costs incurred in connection with the preparation or submission of its proposal.

All communication regarding this RFQ, including any of a technical nature, must be made in writing to the Contracting Officer (CO). Questions will not be answered by telephone or in

person. Please read the important instructions that are incorporated by reference in the provision at FAR 52.212-1, Instructions to Offerors – Commercial Products and Commercial Services, and any addendum.

The CO assigned to this procurement is the undersigned. Your attention is directed at the fact that the CO is the only individual who can legally commit or obligate the Government to an expenditure of public funds should a contract result from this RFQ.

Prospective Offerors are also cautioned against discussing the preparation of their offer (or any technical questions) with Government technical personnel. The circumstances of such contact, when verified, may result in non-consideration of the offer. Accordingly, all communication prior to the award shall be directed to the CO, in writing, at the email address listed below.

Offers shall be received on or before the deadline as listed on the SF-1449 Block 8.

You may e-mail any questions to jgant@bop.gov and BOP-ADM-NationalAcquisitionsSection-S@bop.gov. We will consider all questions received and provide responses where appropriate.

Sincerely,
