52.212-2 Evaluation - Commercial Products and Commercial Services (NOV 2025) (Deviation)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

Technical:

1. *Proposed approach to meet Statement of Work.*
2. *Proof of location of the proposed built/potential facility that will be capable to support a Kennedy Space Center (KSC) / Cape Canaveral Space Force Station (CCSFS) to transport nuclear material nuclear in accordance with Idaho National Laboratory to KSC/CCSFS by January 1, 2028.*
3. *Provide a lease agreement or proof of ownership.*

Price:

Offeror to provide a price for-

Item 1: Nuclear Study per Statement of Work

Item 2: TAA with an international partner based on ESA/AirBus.

(b) *Options (if applicable).* The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the

Government to exercise the option(s).

(c) *Notice of award.* A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

1852.225-71 Restriction on Funding Activity with China (DEC 2025) (Deviation)

- (a) Definition - "China" or "Chinese-owned company" means the People's Republic of China, any company owned by the People's Republic of China, or any company incorporated under the laws of the People's Republic of China.
 - (b) Public Laws 112-10, Section 1340(a) and 112-55, Section 539, restrict NASA from contracting to participate, collaborate, coordinate bilaterally in any way with China or a Chinese-owned company using funds appropriated on or after April 25, 2011. Contracts for commercial and non-developmental items are exempted from the prohibition because they constitute purchase of goods or services that would not involve participation, collaboration, or coordination between the parties.
 - (c) This contract may use restricted funding that was appropriated on or after April 25, 2011. The contractor shall not contract with China or Chinese-owned companies for any effort related to this contract except for acquisition of commercial and non-developmental items. If the contractor anticipates making an award to China or Chinese-owned companies, the contractor must contact the contracting officer to determine if funding on this contract can be used for that purpose.
 - (d) Subcontracts. The contractor shall include the substance of this clause in all subcontracts made hereunder.
